JACKSONVILLE, ILLINOIS, SUNDAY MORNING, JANUARY 5, 1922

SIX PAGES—THREE CENTS

## ARMS CONFERENCE THRU EXCEPT FOR THE USUAL FRILLS

At the Plenary Session Today the Treaties and Resolutions Are to be Formally Approved—President Harding is to Deliver the Valedictory Address Next Monday

(By The Associated Press)

WASHINGTON, Feb. 3.—Except for the formalities and frills that are to attend its adjournment, the Washington conference on limitation of armament and Far Eastern questions is over.

At a plenary session tomorrow the remaining treaties and resolutions are to be formally approved and the chief delegates are to say goodbye to one another in speeches expressing the gratification of their governments over the conference accomplishments. On Monday at another public meeting the treaties will be signed and sealed and President Harding will deliver the conference valedictory.

Already the administration looking upon the conference agreements as accomplished facts, is moving to suspend work on the 13 battleships and battle cruisers now under construction but destined for the scrap heap under the naval treaty.

The president does not plan to actually begin the scrapping process until the treaty has been ratified by all the powers, but he has asked the navy department for information on which an order suspending construction soon is to be issued.

In their final roundup of the far eastern situation, conference leaders decided today to put their conclusions into two far eastern treaties and a number of supplementary resolutions. One of the treaties will deal with revision of the Chinese tariff and the other will embody the Root "four points" and the "open door" policy. Both will have as signatories all nine of the powers represented here.

Actual negotiations on the far eastern problems came to an end today with statements delivered in the far eastern committee setting forth the proposition of the American and Chinese governments towards the twenty-one demands.

Speaking for China Dr. Wang said his government viewed with satisfaction Japan's announcement yesterday that Group five and some other clauses of the "demands" would be withdrawn, but reserved her right to protest the parts remaining. Secretary Hughes asserted that the American government still stood on its rights in the matter as it had asserted them when the "demands" were laid down by Japan in 1915. Their discussion ended without action. The only treaties to be formally given conference approval at tomorrow's plenary session are the two relating to the formulation of the supplemental resolutions that have been adopted in the far eastern committee and probably an exchange of notes to exclude definitely the Japanese homeland from the scope of the four power Pacific treaty signed December 13. The session will begin at 10:30 A. M., in anticipation of several hours of fare-well oratory.

More than a thousand officials from all the departments and establishments of the government met with the president and received the report of the various coordinating departments, transmitted by Director Dawes of the budget bureau whom the president describes as the genius who made possible the cut in expenditures.

Both the President and General Dawes announced a direct saving of \$52,000,000 and indirect savings of more than \$104,000,000 accomplished in less than six months through the operation of the coordinating agencies of the budget bureau. Mr. Harding declared the efforts of the government toward economy had been reflected among the people at large.

Director Dawes described the formation of the coordinating boards as the installation of routine business methods into government business and as the only effort made in 150 years to curb the riotous and disgraceful extravagance of business organization that ran without a head, each man trying to get what he could for his own department.

The cooperation of cabinet members and their subordinates to the efforts of the coordinators on the whole, Mr. Dawes said, had been remarkable and there had never been an instance when a proposed cut in expenditures had to be taken to the president for decision. There had been some obstruction to proposed economy methods, he said, by "pin heads" among the officials who jealous of their prerogatives had swelled up and pushed out their decorations."

NEW LEAGUE FORMED  
PAGE JUDGE LANDIS

(By The Associated Press)

NEW YORK, Feb. 3.—The league for industrial Democracy, an organization of engineers, economists and labor experts, today launched a move to block any attempt of coal operators to increase the price of coal to cover wage increases demanded by union miners.

It was announced that a committee of experts was being formed to investigate the relation of the price of coal to labor and other production costs.

A strike of anthracite coal miners will result April 1 unless the present controversy is adjusted, asserted Harry W. Ladier, director of research. Behind this controversy is an "open shop" attack on the union itself, and the principle of collective bargaining.

UNIVERSITY BUILDING  
AT LAS VEGAS BURNS.

EAST ST. LOUIS, N. M., Feb. 3.—A midnight fire believed to have started from a defective fuse near the rear of the main building of the New Mexico normal university here destroyed the top three stories of the four-story building at midnight last night, and practically ruined the first floor. The main library of the university containing eight thousand volumes, had been destroyed. The loss is estimated at more than \$150,000.

REDUCE SOFT COAL  
RATES 18 PERCENT.

DE MOINES, Ia., Feb. 3.—The state railroad commission today handed down a decision in which interstate rates on soft coal are reduced approximately 18 percent. The coal rate hearing was held in November. The new rates go into effect as soon as published.

MRS. BANCROFT  
WINS SEMI-FINAL

New York, Feb. 3.—Mrs. Leslie Bancroft of Boston defeated her club mate, Miss Edith Sigourney in the semi-final round of the women's invitation indoor tennis tournament today.

The score was 6-1, 5-7, 6-5.

## INFORMATION ON SHIP STATUS IS ASKED BY HARDING

Requests Denby to  
Furnish Data at  
Once

(By The Associated Press)

WASHINGTON, Feb. 3.—Preparatory to a suspension of work on the American capital ships to be scrapped under the naval treaty President Harding has asked Secretary Denby to provide him immediately with full information as to the status of the ships under construction.

Altogether the president does not expect to take any affirmative step toward scrapping the ships until all the powers have ratified the treaty it is probable that there may be a suspension of work on all of the prescribed vessels within a few days.

Plans of the navy department so far as known are for suspension of construction work on those ships to be scrapped under the naval limitation treaty pending ratification of the treaty. Contracts for the building of the vessels would not be cancelled if it was indicated until the limitation pact became effective.

Included in the ships under construction and not to be scrapped under the treaty are the six 40,000 ton battleships and four of the six battle cruisers. One ship of the West Virginia class now virtually completed also is to be destroyed as a fighting unit until this will not be done until the treaty is in effect. Two of the six battleships are to be converted into airplane carriers a provision to that effect having been made. Final decision has not been made by the navy department which of the battleships under construction are to be retained.

Following separation of cases by Judge Edwards last week it was indicated that Governor Small's trial would be set first.

## STATE WILL NOT NOLLE CASES OF SMALL AND CURTIS

State's Attorney Mortimer Makes Emphatic Denial

(By The Associated Press)

SPRINGFIELD, Ill., Feb. 3.—State's Attorney C. Fred Mortimer tonight emphatically denied rumors that the prosecution would nolle indictments against Governor Len Small and Vernon Curtis, charged with conspiracy to embezzle state funds.

"The trial date will probably be set tomorrow and the case will certainly be tried," he said.

Edward Freed, assistant state's attorney of Sangamon county, will represent the state tomorrow and ask Judge Edwards to set the date for trial, Monday, February 13, in being discussed as the probable date.

Mr. Mortimer implied that the he and Attorney General Brundage were in accord on prosecution of the cases against the governor and Curtis. The two prosecutors conferred here yesterday and following Mr. Brundage's return to Chicago last night communicated by telephone to today.

Mr. Mortimer did not accompany his chief associate Edward Preer when the latter left for Waukegan. The state's attorney said he did not plan to go to Lake county tomorrow unless it was deemed advisable for him to be there when Judge Claire C. Edwards announces the trial date.

Following separation of cases by Judge Edwards last week it was indicated that Governor Small's trial would be set first.

## CHINESE ADMIRAL SATISFIED WITH THE CONFERENCE

Says That United States Has  
Become Great Moral  
Power

(By The Associated Press)

SEATTLE, Wash., Feb. 3.—Satisfaction over the results obtained by the arms conference at Washington, D. C., was expressed today by Admiral Tsai Ting Kan of the Chinese navy here on his way home to Peking after attending the conference sessions as a technical adviser to the Chinese delegation.

"Taken all in all," Admiral Tsai said, "everyone is satisfied with the attainments of the conference. There have been many beneficial results."

Not only has America lost the prestige of the conference "her naval superiority," but she has come to the great moral power of the world, thru her attitude at the conference table, he declared. Naval superiority is within the grasp of the United States any time she wants to use the big stick, he added.

## NO SUCCESSOR TO BENEDICT YET CHOSEN

(By The Associated Press)

ROME, Feb. 3.—Within the walls of the vatican balloting is proceeding for the election of a successor to Pope Benedict XV. Today's balloting failed of result. The cardinals were engaged for several hours during the morning in an endeavor to select an occupant for the papal throne, but shortly after noon a thick volume of sulphur mud smoke indicated that no decision had been reached.

The deliberations in the afternoon apparently were somewhat shorter as the great clock of St. Peter's registered 5:25 when a vatican chimney emitted a feeble cloud of black smoke telling mutely to the vast assembly in St. Peter's Square that the question was still undecided.

FUGLIST HELD  
FOR MANSLAUGHTER

Philadelphia, Feb. 3.—Edward "Spike" Boyer, negro light-weight boxer was held without bail today to await the action of the coroner's jury on a charge of manslaughter growing out of the death of Alphonse Hewitt, also colored, fighting under the name of Carter Miller.

Boyle fell unconscious in the first round of his fight with Boyer last night and died shortly afterward.

## WILL RELEASE GILBERT TODAY.

RED WING, Minn., Feb. 3.—Joseph Gilbert, former state manager of the Non-Partisan League who has been serving a one-year sentence for violating the state espionage law, probably will be released tomorrow from the Goodhue county jail here. He was placed in prison February 5, 1921.

FORMER CHIEF OF POLICE  
GETS JAIL SENTENCE.

KENOSHA, Wis., Feb. 3.—Owen Hare, who served for 20 years as chief of police of Kenosha, was sentenced to a term of 2-1/2 years in the state prison at Waupun today, by Judge E. B. Belden in circuit court here following his plea of guilty to many counts of indictments charging malfeasance in office, embezzlement and larceny as bailee.

## BRIEFS

STATE REDUCTIONS  
IMPOSSIBLE NOW  
HOOVER TESTIFIES

Appears at Probe of  
Commerce Commission  
on R. P. Rates

(By The Associated Press)

NEW YORK, Feb. 3.—Luther Boddy, who killed two police detectives on January 5, today was sentenced to die in the electric chair at Sing Sing prison, during the week beginning March 13.

NEWTON, Ind., Feb. 3.—Fire originating from an over-heated furnace destroyed the Reed home, an old landmark of 50 years, here today, causing a loss estimated at between \$30,000 and \$40,000.

EDWARD PREER

PEORIA, Ill., Feb. 3.—Application for permission to operate a motor bus line between Peoria and Farmington was filed with the Illinois Commerce Commission today before the Interstate Commerce Commission investigation of transportation rate levels. Until rates come down and railroad expenditures for new construction and betterments climb up, Mr. Hoover declared the "economic machine will move slowly."

EDWARD PREER

PEORIA, Ill., Feb. 3.—General freight rate reductions are impossible at this time because of the improverished state of the railroad systems of the country, Secretary Hoover testified today before the Interstate Commerce Commission investigation of transportation rate levels. Until rates come down and railroad expenditures for new construction and betterments climb up, Mr. Hoover declared the "economic machine will move slowly."

EDWARD PREER

PEORIA, Ill., Feb. 3.—The conferees will attempt to decide on a definite program.

EDWARD PREER

PEORIA, Ill., Feb. 3.—A decision as to methods of raising the necessary revenue, reached in agreement between the administration and congressional leaders would solve the most difficult problem before the house committee charged with drafting the adjusted compensation legislation and would be expected to speed up final enactment by removing what otherwise prove subjects of serious disagreement between the house and senate.

EDWARD PREER

PEORIA, Ill., Feb. 3.—Members of the ways and means committee said today that the bill to be reported to the house probably within two weeks would provide for beginning the cash payments to the former service men on January 1, 1923.

EDWARD PREER

PEORIA, Ill., Feb. 3.—Re-enactment of the excess profits tax as a method of financing the bonus was urged before the ways and means committee today by Representative Woodruff of Michigan and Brown of Wisconsin both Republicans. They said this was a just tax which would be more popular than some others.

EDWARD PREER

PEORIA, Ill., Feb. 3.—Opposition to such a proposal was voiced by some Republican committee members and Mr. Woodruff declared that the repeal of this tax was one of the most reprehensible acts ever committed by congress.

EDWARD PREER

PEORIA, Ill., Feb. 3.—Oppose Sales Tax.

EDWARD PREER

PEORIA, Ill., Feb. 3.—Both Mr. Woodruff and Mr. Brown opposed any form of sales tax, as did previous witnesses including H. C. McKenzie of Walton, N. Y., representing the American Farm Bureau Federation and Edward F. McGrady, legislative representative of the American Federation of Labor.

EDWARD PREER

PEORIA, Ill., Feb. 3.—Mr. Brown suggested that the treasury might be able to obtain considerable sums from the sources proposed in the original bonus bill offered by Chairman Fordney, such as slight increases in income surtaxes, tax on stock dividends and a tax on one-fifth of one percent on the sales of bonds and stocks.

EDWARD PREER

PEORIA, Ill., Feb. 3.—Representative Nolan, Republican of California, told the committee there was no need to levy any additional tax to pay the bonus if congress would cut down army and navy appropriations.

EDWARD PREER

PEORIA, Ill., Feb. 3.—Opposition to the kind of cash bonus proposed was voiced by Representative Griffin, Democrat of New York, a veteran of the Spanish-American war. He said the government, as a cash proposition should return the money the soldiers paid for insurance and as family allotments. The vocational training and other plans should be put into force as a matter of justice he said.

EDWARD PREER

PEORIA, Ill., Feb. 3.—Plans Not Formulated.

EDWARD PREER

PEORIA, Ill., Feb. 3.—While plans for conducting the negotiations with the debtor nations have not been formulated, it was said today in informed quarters that they probably would be conducted both in this country and abroad. There has been some discussion of a general conference of representatives of the United States and the principal allied powers to discuss the whole subject of the war debts of those nations. Those favoring this plan have argued that it was not to be expected that the debts owed the United States could be refunded without reference to the debts owed among the allied powers themselves.

EDWARD PREER

PEORIA, Ill., Feb. 3.—As finally enacted the debt refunding bill was unsatisfactory to the administration and Republican leaders of the house but it was said that objections to it were not pressed, because of the delay involved in sending it to conference. Chief objection centered on the senate amendment requiring that the refunded obligations mature not later than June 15, 1947 and that the minimum interest rate be 4 per cent.

EDWARD PREER

**INDUSTRIAL REHABILITATION.**  
Superintendent Blair, in this month's issue of the Educational Bulletin, discusses a most interesting field educational work:

The last session of the General Assembly appropriated \$125,000 for the biennium to match a

pecuniary sum apportioned by the Federal Government of Illinois. This \$250,000 is available for organizing and administering the work of discovering persons who are handicapped in some way or other and providing the training which will remove such handicap. These plans also provide for assisting such persons after their handicap is removed to find remunerative employment. The field is a new one and will require thorough study and some caution if mistakes are to be avoided. The work is placed under the Illinois Board for Vocational Education.

The Superintendent of Public Instruction, as the executive officer of the board, is made responsible for carrying out the policies of the board. An Acting Supervisor with office assistants have been appointed. A number of field agents, who are to survey their respective fields and to act under the direction of the executive officer, have also been appointed. It is a most interesting field of labor and the results of the work will be studied with the greatest interest by all who believe that the State should actively assist every handicapped person in fitting himself for some employment that will make him economically self-sustaining.

Records recently uncovered show that the highway designated as the hard road from Chicago to St. Louis was surveyed in 1833. So just about ninety years after the work was begun the end was attained. But the chances are it never occurred to those pioneer Illinoisans that some day this stretch of road 300 miles in length would be paved with concrete.

But come to think of it, the old Romans had paved highways thousands of years ago!

The proposal of a get together meeting of the farm bureau and other organizations is quite well worth while. The purpose is to create a greater sympathy between the city and the county in meeting the somewhat difficult business conditions of the present day. Such a gathering would also serve to impress how interdependents are the city and the country. The fact is that their interests are in common, and one prospers only when the other is in like condition.

The uncertainties of criminal prosecutions have been well illustrated in the Arbuckle trials in California. In the first case the jury stood 11 to 1 for acquittal and the second trial just concluded the final poll of the jurors was 10 to 2 in favor of conviction.

Bear in mind the same evidence was submitted to the two juries and a casual reading of the reports of the second trial indicates that the prosecution was not pushing the case nearly as vigorously on this second trial. The jury system is a wonderful thing.

Two Women Tell How Lydia E. Pinkham's Vegetable Compound Stopped Their Suffering

Iron Mountain, Mich. — "I had terrible pains every month and at times had to go to bed on account of them. I saw your advertisement and took Lydia E. Pinkham's Vegetable Compound with very good results. I can work all day long now at my sicktime. You may use these facts as a testimonial and I am recommending the Vegetable Compound to my friends." — Mrs. A. H. Brown, 518 E. Brown St., Iron Mountain, Michigan.

Xenia, Ohio. — "Every month I had such pains in my back and lower part of my abdomen that I could not lie quietly in bed. I suffered for about five years that way and I was not regular either. I read an advertisement of what Lydia E. Pinkham's Vegetable Compound had done for other women, so I decided to try it. It surely has helped me a lot, as I have no pains now and am regular and feeling fine." — Mrs. MARY DALE, Route 7, Xenia, Ohio.

If you suffer as did Mrs. Garland or Mrs. Dale, you should give this well-known medicine a thorough trial.

## MOHARDT SAYS HE PLAYED PRO FOOTBALL

Played With Racine Against Green Bay Packers—Green Bay Makes Denial—Question Iowa Players

SOUTH BEND, Ind., Feb. 3.—Johnny Mohardt, Notre Dame University's all-American halfback who is sought by several major league baseball teams, today admitted to university officials that he had played in professional football game.

Mohardt was the twelfth Notre Dame star and the twenty-second midwestern athlete to admit such a violation of college rules during the past few months. Mohardt confessed playing with the Racine, Wisconsin, American Legion Team against the Green Bay, Wisconsin, packers at Milwaukee, December 4, 1921. Three Notre Dame players—H. Anderson, Garvey and Larson—previously had been barred from collegiate competition for playing in this contest and the packers were ousted from the American football association for using college men. Mohardt is just completing his college course and consequently the university officials feel, they said, that it would be useless to inflict the same punishment upon him as upon the others—disqualification from athletics. It was thought tonight that the matter might simply be dropped.

Mohardt said tonight that he had definitely decided to enter major league baseball but had not decided what team he will join.

After the baseball season next fall, he said, he expected to enter the University of Pennsylvania Medical College, but he will not be eligible to play football with Pennsylvania, as he has already had three years of college competition.

### Issues Denial.

GREEN BAY, Wis., Feb. 3.—A statement issued today by G. W. Calhoun, former publicity man for the Packer professional team said:

"Officials of the Green Bay Packers state positively that Johnny Mohardt never played with the local pro eleven. It is a well known fact among football fans who attended the Racine Packer game in Milwaukee December 4, that Mohardt played with Racine."

A Racine paper ran a cut of Mohardt with a story about him being an ace in the hole for the Racine team."

### Believe in Devine.

IOWA CITY, Iowa, Feb. 3.—University of Iowa Athletic authorities declared today that there were no new developments tending to show that Aubrey Devine, captain of last year's Western Conference champion football team or Gordon Lock, captain-elect are guilty of engaging in

professional or semi-professional athletics.

Announcement was made that Lock wrote to University authorities last summer for permission to play baseball at Kanawha, Iowa. He was informed, according to today's announcement that he could do so if he conformed to the rules. Lock stated today that he knew the rules regarding professionalism and the receiving of money for playing and absolutely conformed with these regulations in his activities at Kanawha and elsewhere.

"I was working in Kinawha, and my sole purpose in playing baseball was to keep in training for football," he said, declaring that he never received a cent for his services.

Coach Howard Jones said, "There is absolutely no question that Devine has never participated in a professional contest of any sort or violated any conference rules and from the statements of Lock and Oscar E. Johnson, president of the Kanawha baseball association, I am convinced that Lock is also absolutely innocent."

### JACKSONVILLE WON FROM RUSHVILLE

Defeated Visitors By Score of 38 to 18—Locals Except Goebel Were Off Form.

While badly off form, with the exception of Goebel, Coach Mitchell's undefeated high school basketball five won from Rushville high in David Prince gymnasium Friday evening by a score of 38 to 18.

During the first half Rushville held Jacksonville to a close score, the count being Jacksonville 12, Rushville, 8, at the half way mark. Hunter and Putnam usually reliable shots, could not find the hoop with any degree of accuracy.

Jacksonville started the game handicapped by the loss of Hunt at guard who has been laid up with a cold all week. His absence seemed to slow up the team. Hackett started in his stead but Coach Mitchell soon switched to Goebel.

When he did this Mitch discovered that he had a real guard. Houston did excellent work and the longer he went the better he got. He played the floor well and did some good passing and guarding.

Toward the last of the game Mitch had an entire new team. These men also gave a good account of themselves and Harrison the small in size proved to be greased lightning on the floor and shot basket after he had been in the fray only about a minute. Lewis also broke into the scoring.

As we said before Goebel played a beautiful game. He was all over the floor and several of his shots were long ones from difficult angles.

The Rushville team played a clean game. In fact, it was too clean. The men did not make a foul during the evening. This was the reason they many times failed to get the ball when a little aggressiveness would have been better even if an occasional foul was called. The locals journey to Waverly for a return game this evening. The score:

### ROUTT HIGH LOST TO NEW BERLIN

Local Tossers Defeated in Fast Game 24 to 22—Gebert and Cooney Star for Routt.

Routt high lost a hard fought game to New Berlin high at New Berlin Friday night by a score of 24 to 22.

The local team was handicapped by the loss of Capt. Mandeville who was unable to play on account of a severe cold. However the men gave all they had and it took good work on the part of New Berlin to win the victory.

Gebert and Cooney were the stars for Routt. These players made twenty of the points scored by Routt.

Kumle, Anders and Rechart were the best men on offense for New Berlin.

### MITCHELL GETTING READY FOR CAMPAIGN

MILWAUKEE, Wis.,—(By the A. P.)—Ritchie Mitchell, the Milwaukee lightweight, who suffered a broken arm in his match with Ernie Rice, the English 135 pounder, here last fall, today is preparing for another campaign in the ring, which he hopes will result in another championship encounter with Bennie Leonard.

Mitchell has started to rid himself of excess weight. During the period of idleness he took on the physical proportions of a middleweight, but expects to be close to the 140 pound notch within a month. Several matches for him already are pending.

Pinkley Mitchell, brother of Ritchie, also is rounding into fighting condition. Pinkley was forced to cancel his match with Leonard here January 2 at the last minute due to an attack of bursitis in the left arm. He expects to be in shape for a match early in February. The local promoters will attempt to induce Leonard to meet him.

When he did this Mitch discovered that he had a real guard. Houston did excellent work and the longer he went the better he got. He played the floor well and did some good passing and guarding.

The Rushville team played a clean game. In fact, it was too clean. The men did not make a foul during the evening. This was the reason they many times failed to get the ball when a little aggressiveness would have been better even if an occasional foul was called. The locals journey to Waverly for a return game this evening. The score:

### KNOX ALREADY HAS STATE MEET WON

Begins to Crow Over What Track Team Will do at Monmouth—There's Many a Slip, Etc.

GALESBURG, Ill., Feb. 3.—Little serious opposition in the track and field is anticipated by Knox college, whose athletes are already being groomed by Coach Sam Barry for 1922 state honors. Eight meets have already been scheduled for the college track and field men, who expect therein to encounter some of the best competition in the middle west.

Their first meet will be the Illinois relay Carnival at Urbana, March 3. The others will be:

April 22—Hedding at Knox.

April 29—Triangular meet at Monmouth.

May 6—Coe at Knox.

May 13—Beloit at Beloit.

May 20—Mid-West meet at Carleton.

May 28 and 27—State meet at Monmouth.

June 10—National meet at Chicago.

Only two men of the Knox college team which captured last year's state meet have left school. Griggs and Sward are here to enter the relays. Griggs is a freshman from Brimfield, who, it is said, can also clear the bar at 12 feet. This ability last year won first place for him in that event in the Illinois interscholastic meet and also at Stagg Field in Chicago.

The relay team which won at the Decatur meet last year is intact. It is composed of the Rhind brothers, and Adams, Laing and Tarpy. They are all exceptional in the quarter mile. Pierce and Eric Rhind, last year's half milers, will answer the call again, and for hurdles runs Fulton and Ewing, and for hurdling Hunter and Johnson will enter the lists.

Buchelt, a last year's star hurdler for De Paul will likely perform in the capacity this year for Knox, and Sward is depended upon for an excellent showing at the broad jump.

Knox college, Coach Barry said, is sure of at least placing in every field event.

NOTICE TO TAX PAYERS

The tax books are now in  
the collector's office and  
taxes extended stand as  
judgments against all parties  
mentioned therein.

Persons paying on personal  
property only should pay the  
tax promptly and avoid trouble  
and expense in collection. The judgment reads  
as follows: "In case any per-  
son named in said books shall  
neglect or refuse to pay their  
personal tax, you shall levy  
the same by distress and sale  
of goods and chattels of such  
persons." Parties paying on  
real estate should bring their  
old tax receipts to save time  
and avoid mistakes. If pay-  
ing thru the banks, leave your  
old receipts with your bank  
as soon as possible.

## PRICE OF WHEAT HITS HIGH LEVELS

By Associated Press

CHICAGO, Feb. 3.—Surprise

over a brisk new advance in  
wheat prices at Buenos Aires to-  
day carried the wheat market here

up well beyond all recent

high levels. The clearing was

at 12 to 25c net gain with

May \$1.25 @ \$1.25 and July

\$1.09 @ \$1.08.

Other staples too all finished

higher—corn up 4c to 4c;

provisions 12c to 35c.

What made the latest soaring of

Argentine astonished the Chicago wheat

trade was the fast that in the last

two weeks the Argentine figures

have risen more than Liverpool,

notwithstanding that the English

market has outdistanced the up-

turn of values in the United

States, so that wheat in this

country is again on a world com-

petitive basis.

Argentina brought about a general

rush here to buy, altho earlier

many dealers had taken

the view that advances had been

too rapid and that a reaction was

due. Scantiness of domestic re-

ceipts northwest, with draught

reports from the southwest and

Europe as well attracted re-

newed attention during the last

part of the day and setbacks in

prices turned out to be of little

importance notwithstanding that

sales to realize profits were of

large volume.

Enhancement of the value of

corn and oats resulted partly

from the action of the wheat mar-

ket and partly from reports show-

ing that stocks of oats in all pos-

sitions are much less than was the

case a year ago. Record-breaking

big primary receipts of corn this

week were almost ignored.

The provisions market went

higher in line with grain and

feeder steady.

Hogs—Receipts 24,000. Fairly

active light and medium 10 to

20c lower; others steady to strong.

Sheep—Receipts 2,000; nominal

activity; higher weights strong to

higher; others slow, steady, top

top \$950 paid for 170 pounds and

down weights; few 200 to 210

pounds averages \$10.50 @ \$9.35;

packer sows steady; mostly \$7.50,

bucks unevenly steady to 25c high-

er; bulk \$8.25 @ \$9.25; quality

medium to good.

Sheep—Receipts 400; nominal-

ly steady; receipts insufficient

to test market.

## RECEPTION GIVEN AT F. H. ROWE HOME

"TALK JACKSONVILLE"  
WEEK IS SUGGESTED  
Chamber of Commerce Officers  
Are Considering Suggestion of  
Booster Week for Jacksonville.

Entertain For Mr. and Mrs. R. Y. Rowe—Was One of Most Brilliant of the Season.

The warmth of hospitality in a beautiful home made notable the reception given last evening by Mr. and Mrs. Fred H. Rowe at their West State street home in honor of Mr. and Mrs. R. Y. Rowe, whose recent marriage was an important event of the holiday season. Several hundred invitations were issued and the affair was one of the most brilliant social functions of the winter season in Jacksonville.

The charming home of Mr. and Mrs. Rowe was made even more attractive by the use of quantities of beautiful flowers. In the west rooms where the guests were received sweet peas, pink roses, narcissis and lilies were used in profusion. Beautiful baskets of Columbine roses and spring flowers added to the charm of the hall and other rooms of the house. Frappe was served during the evening in the conservatory.

In the dining room where supper was served a very lovely color scheme of yellow and pink was carried out with quantities of bright spring flowers, tulips, snap dragons, yellow narcissis and daffodils. In every detail the appointments for the affair were in exquisite taste and made the function one of the most delightful of the year.

In the receiving line with Mr. and Mrs. Rowe were the guests of honor: Mr. and Mrs. R. Y. Rowe, and Mr. and Mrs. Paul Samuel and C. Y. Rose. Those who assisted in entertaining were: Mr. and Mrs. W. C. Bradish, Mr. and Mrs. E. E. Crabtree, Dr. and Mrs. J. R. Harker, Mrs. Lillian W. King, Mr. and Mrs. J. W. Larson, Mr. and Mrs. W. D. Mathers, Miss Ethel Wylder, Dr. and Mrs. A. R. Gregory, Mrs. Lida Wood, Mr. and Mrs. C. A. Goodale, Dr. F. A. Norris, and Mrs. A. B. Applebee, Mrs. J. R. Davis, Miss Esther Davis, Miss Ida Walton, Mr. and Mrs. W. G. Goebel, Mrs. Ida Paley, Mr. and Mrs. Walter Crawford, Dr. and Mrs. L. H. Clappitt, Mr. and Mrs. Fred Begg, Mr. and Mrs. William Bas Brown, Mrs. Helen Jordan, Mrs. C. A. Barnes, Mr. and Mrs. Harrison King, Mrs. Helen A. Bullard, Miss Edna Jordan, Mr. and Mrs. Fred Randall, Mr. and Mrs. J. W. Watson, Mr. and Mrs. F. J. Waddell and Mr. and Mrs. P. M. Taylor.

**FIRE DAMAGES  
LA MASTER HOME**

Defective Chimney Causes Fire  
Friday Afternoon—Loss Covered  
By Insurance.

Fire, which started at 2 o'clock Friday afternoon, from a defective chimney, caused considerable damage to the residence of John LaMaster, 320 Brown street.

The fire department responded promptly to the alarm and the blaze was extinguished but not before it had gained considerable headway. The loss is fully covered by insurance.

**Eat PRINCESS Pie**

The candy way of eating ice cream. A food, not a fad. Buy it any place you see the sign, Eskimo Pie.

MADE ONLY AT  
MERRIGAN'S

FIRST SHIPMENT  
OF MACHINERY

Albert Reiner, local manager for the Rothschild Clothing company, has received word from Mr. Auditor's office, in Springfield, that the first shipment of machines for the new factory will arrive in Jacksonville Monday morning. An expert millwright in the employ of the Rothschild company will accompany the shipment and oversee the installation of the machines.

Forty-six machines will arrive in the shipment, and will be installed immediately. The company has a force of fifteen employed at the present time as a nucleus, and is adding a girl a day. As soon as the machinery is ready for operation a large force will be put on.

**CARD OF THANKS.**  
We wish to thank our many friends for their kind assistance during our illness and the loss of our home by fire.

Mr. and Mrs. W. S. Cannon.

**Eat PRINCESS Pie**

Miss Eloise Batis, of the State Auditor's office, in Springfield, was in the city yesterday on her way home to Arenzville, called by the death of her sister, Mrs. William Van Herck, which occurred early yesterday morning.

Decedent was born near Winchester, February 11, 1846, and was the son of Charles and Eliza Pruitt. He was married to Miss Mary Kelly in Scott county, who preceded him in death thirty-five years ago, in 1888. He was again married to Miss Lizzie Knoles, whose death occurred in 1916.

With the exception of a few years' residence in Missouri the decedent spent practically his entire life in Scott county and his occupation was a farmer.

Decedent is survived by one daughter, Mrs. C. E. James of this city. Another daughter, Mrs. Edward Kimble, passing away several years ago.

Private funeral services will be held at the Gilham Funeral Home Monday.

**Stubblefield.**

The funeral of the late Mrs. Elizabeth Stubblefield was held at 10 o'clock Friday morning from the Alexander M. E. church, in charge of Rev. M. L. Pontius of Jacksonville, assisted by Rev. Samuel Graves, pastor of the Alexander church. Music was furnished by a quartet including Miss Katherine Kaiser, Mrs. K. V. Beerup, Messrs. Fred. W. Neal and Luther Wiley.

A great profusion of flowers attested the esteem in which the deceased was held by her friends. These were in charge of Mrs. Lloyd Wells, Mrs. Joseph Stubblefield, Misses Lucille and Martha Mason.

Interment was made in the Antioch cemetery, the bearers being, W. A. Davenport, Harry Joseph and James Stubblefield, Harold Mason and Lloyd Wells.

Among those who attended the funeral from Jacksonville were, Mrs. George LaRue, Mrs. Annie B. Ferguson and Mrs. Jack Welsh.

**Eat PRINCESS Pie**

**PETITIONS NOT NECESSARY  
FOR COMMITTEEMEN**

An error was made in the statement yesterday that the candidates for precinct committeemen must file petitions just like candidates for other offices. The last election law did not change the primary law already upon the statute books in this regard. The names of candidates for committeeman may be posted on the regular ballot or written upon the ballot without previous nomination.

## WIRELESS MEN AT DEMONSTRATION

Were Guests of Central Illinois Radio Men at Springfield—May Affiliate With Springfield Club.

A committee representing a local wireless club went to Springfield last evening to be present at the last of a series of demonstrations given by the Central Illinois Radio club at the Y. M. C. A. building.

The Springfield wireless club has been giving demonstrations for the past week. The public has been invited and have been allowed to "listen in."

The local wireless enthusiasts who went to Springfield last night were Edward Wackerle, Farrell Crabtree and Edward Duncan. The committee conferred with the Springfield wireless officials and an effort will be made to affiliate with the Springfield club.

At present the local wireless club has twenty-five members and they will within a short time elect officers and select a suitable name for their organization.

The club meets every Monday night at Illinois Woman's College and anyone wishing to visit the station may do so. Mr. Wackerle is willing to give instruction to anyone who wishes to take up wireless.

**Last Day of SHANKEN'S**

Spring Approach Clearing Sale. Unequalled bargains today in Suits, Dresses, Yard Goods, &c.

**FUNERALS**

**Bostic.**

Funeral services for Mrs. Mary E. Bostic were held yesterday at 2 o'clock at the old People's home. The services were in charge of Rev. M. L. Pontius. The remains were sent last night to Edina, Mo., where burial will be made today.

**Moore.**

Funeral services for Mrs. Ada Moore were held Thursday afternoon at the Second Baptist church with Rev. H. H. DeVito in charge assisted by Rev. Hackley. Music was furnished by the church choir and the flowers were cared for by Mesdames Freeman, Esther Davis, Miss Ida Walton, Mr. and Mrs. W. G. Goebel, Mrs. Ida Paley, Mr. and Mrs. Walter Crawford, Dr. and Mrs. L. H. Clappitt, Mr. and Mrs. Fred Begg, Mr. and Mrs. William Bas Brown, Mrs. Helen Jordan, Mrs. C. A. Barnes, Mr. and Mrs. Harrison King, Mrs. Helen A. Bullard, Miss Edna Jordan, Mr. and Mrs. Fred Randall, Mr. and Mrs. J. W. Watson, Mr. and Mrs. F. J. Waddell and Mr. and Mrs. P. M. Taylor.

**Franz-Woodall.**

Henry A. Franz and Miss Verna Woodall, both of this city, were married in Hannibal, Mo., Wednesday. The ceremony was performed by Justice of the Peace Sudarth of the Missouri city. Their home in this city and their many friends unite in extending good wishes.

**Prueitt.**

The death of James Robert Prueitt occurred at 9:15 Friday evening at Passavant hospital where he had been a patient the past three weeks.

Decedent was born near Winchester, February 11, 1846, and was the son of Charles and Eliza Pruitt. He was married to Miss Mary Kelly in Scott county, who preceded him in death thirty-five years ago, in 1888. He was again married to Miss Lizzie Knoles, whose death occurred in 1916.

With the exception of a few years' residence in Missouri the decedent spent practically his entire life in Scott county and his occupation was a farmer.

Decedent is survived by one daughter, Mrs. C. E. James of this city. Another daughter, Mrs. Edgar Martin and Mrs. Henry Straw all of this city, were guests at yesterday's meeting.

**Missionary Society Meets.**

Mrs. George Swain entertained

the members of the Foreign Mis-

sionary society of Centenary

church Friday afternoon at her

home on South east street.

The program of the day on "India

was led by Mrs. J. W. Taylor, who

read the chapter from the study

book and also conducted the

devotional services and the ques-

tion box. Several members read

extracts for leaflets on mis-

sonary work in India. A short busi-

ness session presided over by

Mrs. W. H. Naylor preceded the

social hour which closed the af-

ternoon.

**Charles Hopper  
Observes Birthday.**

Charles Hilleth Hopper cele- brated his fourteenth birthday Friday by having a musical program given by several of his boy friends. The honorary guests besides the boys on the program were: Mrs. J. Edgar Martin, Claude Rimbler, Franklin, and Edith Inhoff.

The following program was given:

Piano solo—Russell Canaysey.

Violin solo—Willard Cody.

Piano solo—Charles H. Hopper.

Violin solo—Beaumont Potter.

Flute solo—Charles H. Hooper.

Violin solo—Wendell Rawlings.

Liszt Rhapsody, No. 11—Claude Rimbler.

After the musical program

each boy found his guest by fish-

ing in a pond. Pink and white

cake, cream and candy were served

and every one present voted, the

occasion a happy one.

**The Roof of the World.**

Subject at Christian Mis-

sionary Meeting.

The Missionary society of Central Christian church met yester-

day afternoon at the church. Mrs.

Mae Cornett was in charge of the

program.

**Surprise Party at Howard Home.**

A delightful evening was spent

at the home of Mr. and Mrs. Chris

Howard northwest of the city

January 30. A large number of

their friends gathered at their

home and gave them a complete

surprise. Music and games had

place in the pleasant evening's

program and excellent refresh-

ments were served. When the

guests left it was with pleasant

memories of the occasion and

hoping to again enjoy the hospi-

tality of Mr. and Mrs. Howard.

**Birthday Surprise  
For Miss Pfeil.**

Miss Amanda Pfeil was given

Methods and Importance of Following Up on Cases Started

# DICKSON TENDERS HIS RESIGNATION

## ADJUTANT GENERAL'S ACTION CONTEMPLATED FOR SEVERAL MONTHS

Announcement Was Given Out by Governor Small That It Had Been Accepted—Had Held Office Under Three Administrations—General Black of Chicago is Appointed

(By The Associated Press)

CHICAGO, Feb. 4.—Adjutant General Frank S. Dickson has resigned, his resignation having been accepted by Governor Len Small, an announcement by the governor said today. Colonel Carlos E. Black, of Chicago has been appointed adjutant general, the governor announced and will immediately assume direction of the military affairs of the state.

Adjutant General Dickson's forthcoming resignation has been rumored for months. He has served as commander of the state militia under three administrations, and has been connected with the national guard since his enlistment as a private in the war with Spain.

The new adjutant also is a veteran of the Spanish-American war, having enlisted in the fourth infantry regular army on October 7, 1896.

He was appointed a colonel by the governor last August and attached to the governor's staff.

General Black's home is at Albany Park, a suburb of Chicago.

## FARM LOAN BONDS WILL BE OFFERED FOR SALE MONDAY

Twelve Federal Land Banks Will Offer \$75,000,000

By Associated Press.  
WASHINGTON, Feb. 4.—The largest offering of farm loan bonds ever made was announced tonight by Secretary Mellon.

The twelve federal land banks will make a combined offering Monday of \$75,000,000 of five percent federal farm load bonds at the price of 102 3-8 and accrued interest, at which price they will yield approximately 4.70 percent to callable date and five percent thereafter. The bonds, Mr. Mellon said will be dated November 1, 1921, due November 1, 1944, and callable at the option of the issuing bank after November 1, 1931. They will be issued in coupon form exchangeable for registered bonds. Interest will payable May 1 and November 1.

In view of the continued strong showing of the federal loan banks it is believed that the offering will be readily absorbed and as the funds will go direct to the farmers it should do much to improve the agricultural situation, Mr. Mellon said.

## HENRY FORD WILL GET MOTOR COMPANY

By The Associated Press.  
DETROIT, Feb. 4.—Henry Ford formally came into possession of the Lincoln Motor Company of Detroit today when Judge Arthur J. Tuttle in United States district court confirmed sale of the property effected a public auction this morning. There was no protest to the confirmation.

Mr. Ford bid \$8,000,000 for the Lincoln holdings, being the only one to offer a bid. The price was the lowest that could be accepted. Judge Tuttle had ruled previously.

## WILL QUIT JOB ON MARCH 4

Washington, Feb. 4.—Joseph W. Powell, president of the emergency fleet corporation announced today that he would terminate his connection with the corporation next March 3. He explained that private affairs would prevent him from continuing longer in his present post.

## MANY DEATHS FROM INFLUENZA

London, Feb. 4.—Deaths in England and Wales from the present epidemic of influenza have totalled 13,000 according to figures issued today. The epidemic is considered to be on the decline.

S. H. Crum, Durrell Crum and Louis Maul were in the city Saturday, representatives of Liter-

## NO RESULTS AS YET IN BALLOTS CAST FOR POPE

Great Crowds Around the Vatican Are Disappointed

(By The Associated Press)

ROME, Feb. 4.—The balloting of the members of the sacred college for the successor of Pope Benedict XV today again proved fruitless. Shortly before sundown the vast crowds which had assembled around the vatican and St. Peters dispersed with even greater disappointment than on the previous evening when failure to select a pontiff was announced by the black smoke issuing from the sistine chapel.

Gendarmes and troops had difficulty in untangling the immense assemblage of pedestrians and vehicles of all sorts that were massed together awaiting through the day the final announcement. And altho there was considerable disorder only a few minor accidents occurred.

Word came from the vatican that the three cardinals, Martin Pompilj and Bachieri, who were suffering from influenza or colds, had sufficiently recovered to take a personal part in the proceedings today. In consequence the work of balloting was considerably facilitated. But impenetrable secrecy surrounds the deliberations of the conclave, and nothing has divulged that would indicate the position in the voting of the various cardinals.

Pror to the opening of the conclave the vatican was stocked with what was considered an ample food supply to carry the cardinals thru the election period but it became necessary today to withdraw 123,000 lire from the bank for further provisions, portending a protracted duration of the conclave in which event Cardinal O'Connell, archbishop of Boston, who is speaking to Rome, will likely arrive in time to take part in the later sessions.

"I am in receipt of the resignation of General Frank S. Dickson, the adjutant general of Illinois, which I have accepted and appointed Colonel Carlos E. Black of my staff to this important office. General Black will at once assume direction of the military affairs of this state under my orders as commander in chief,"

(Signed) "Len Small, Governor."

**Issues Statement.** The new adjutant general also issued a brief statement saying:

"I appreciate the honor and responsibility of the high office to which I have been appointed by the governor. I shall administer the military affairs of Illinois according to the constitution and laws, the rules and regulations prescribed by congress and the orders of the governor."

I shall help uphold the national guard and naval reserve and lend every effort toward the support of the officers and men of the organized militia who are devoting their time and talents to the military welfare of the state.

(Signed) "Carlos E. Black, Adjutant General."

General Black served in Cuba thru the battle of Santiago, and in 1898 was wounded. Rejoining his command, he was sent to the Philippines in 1899. In 1900 he enlisted in the Illinois National Guard and in 1903 was commissioned a first lieutenant holding that rank until September 1907, when he resigned. In February, 1908, he returned to the first infantry as a second lieutenant, and in August, was commissioned captain of a company, retiring again in 1911.

In June, 1918, he entered the World War with a first Lieutenant's commission in the National army attached to the quartermaster's corps as surplus property officer. He was honorably discharged in August, 1919.

Adjutant General Dickson came here today from Springfield and conferred with Governor Small who is understood to have asked him to come to Chicago to discuss the resignation.

Percy B. Coffin, chairman of the Illinois State Tax Commission, was present when the adjutant general tendered his resignation.

"It was orderly, very quiet and without any degree of feeling," Mr. Coffin said.

**Declines to Talk.** Springfield, Ill., Feb. 4.—Adjutant General Dickson, upon his arrival here tonight from Chicago, declined to discuss his resignation.

General Dickson went to Chicago this morning in response to a message from the governor. It had been rumored for months that he was expected to step out as head of the state's military forces. Shortly after Governor Small's inauguration a year ago last month, political gossip included the probable appointment of a new adjutant general. Governor Small appointed a special military commission last summer "to recommend changes in the national guard." The commission reported to the governor several weeks ago but the executive declined to discuss its contents.

General Dickson said tonight that he had not accepted a federal post and asserted that his plans for the future were definite. He expects to remain at the adjutant general's office for a

## BRIEFS

(By The Associated Press)

CHICAGO, Feb. 4.—The International Harvester Co. today announced price reductions ranging from \$260 to \$230 on two are three plow tractors. Harold F. McCormick, chairman of the board of directors announced that the reduction was not justified by reduction of manufacturing costs, but was made to meet trade competition.

GALESBURG, Ill., Feb. 4.—An attempt to rob the Avon, Ill., post office, 20 miles from here, at 3 o'clock this morning, was frustrated by John and Pascal Kernale, who live upstairs in the building and the yeggmen escaped without any loot. The front door of the vault was blown off and the robbers were attempting to open an inner safe containing the money, when they were frightened away.

DIXON, Ill., Feb. 4.—Before acquiring Constandin Creidner of a charge of selling intoxicating liquors, a jury in the Lee county court drank the contents of two half-pint bottles of "evidence."

SPRINGFIELD, Ill., Feb. 4.—Permission to operate an express and freight truck service between Peoria and Galesburg, was asked of the Illinois Commerce commission this morning by the White Freight Company, of Peoria.

DETROIT, Feb. 4.—Representatives of Henry Ford today made the only bid for the property of the Lincoln Motor Company at the auction sale held at direction of United States District Judge Arthur J. Tuttle. The bid was \$8,000,000, the lowest figure that Judge Tuttle will accept, according to a previous announcement in court.

CHICAGO, Feb. 4.—Chicago's long awaited building boom was expected to start here today following the action of the building trades unions last night when they voted to accept the Landis wage award and return to work immediately.

CHICAGO, Feb. 4.—Forty-five cities are represented in the fifth annual tournament of the Elks National Bowling Association, opening here today and continuing until February 19th. In the doubles, 316 are entered and in the singles 69 bowlers will compete.

PITTSBURGH, Feb. 4.—A 30 percent reduction of wages in mine workers in the Scott's Run brilliant coal field of West Virginia was announced today by the Monongahela Coal Association. The scale, which alone eliminates the "check off" will become operative April 1 and includes workers in 63 mines along the Monongahala and Wheeling R. R.

WASHINGTON, Feb. 4.—Value of railroad property upon which rates are now based probably are higher than justified, according to accounting testimony today put into the interstate commerce commission investigation of transportation charges by state railroad commissions.

JUDGE SULLIVAN DENIES PETITION

(By The Associated Press)

CHICAGO, Feb. 4.—Judge Denis J. Sullivan denied the petition of the carpenters' union for an injunction to restrain the citizens' committee to enforce the Landis building trades award from farther activities. The carpenters' union had refused to accept the Landis' award which was accepted last night by unions of the Chicago Building Trades Council.

The carpenters will vote individually on whether to recognize the Landis wage scale and return to work.

**SUPPRESS EVIDENCE.** TACOMA, Wash., Feb. 4.—Shortly after jurors, unable to agree in the trial of William Jussee, president of the Chicago Flat Janitors' union and nine co-defendants charged with boycotting and bombing apartment buildings here had been dismissed by Judge Thompson, they were treated to a thrill in the criminal court building. The elevator which they entered at the fourth floor fell without warning to the second floor before the safety catches stopped its descent. The jurors had deliberated for 26 hours and all their ballots stood 9 to 3 for acquittal.

**INTEREST PAYMENT.** Washington, Feb. 4.—Payment of \$269,892 by Belgium as a semi-annual installment of five percent interest on its obligation to this country of \$8,000,000 for surplus war materials was received today by the treasury. The balance is due Aug. 5.

**WOMAN FOUND DEAD IN CISTERNS.** Quincy, Ill., Feb. 4.—Mrs. Ida Graff, 58 years old, was found dead in a cistern at the home of her aged father, Amos Linn, in Liberty, near here today. The body was discovered by her father after she had been missed from the house. Members of the family say there was no reason which would point to suicide.

General Dickson said tonight that he had not accepted a federal post and asserted that his plans for the future were definite. He expects to remain at the adjutant general's office for a

## ENGELMAN HEADS ILLINOIS SCHOOL MASTERS' CLUB

Was Chosen at Closing Session Held at Bloomington

(By The Associated Press)

BLOOMINGTON, Ill., Feb. 4.—Joliet, senior member of the executive committee, was chosen chairman of the Illinois School Masters' club at the close of its semi-annual session at noon today.

C. Whitten, of DeKalb, was chosen junior member of the committee the other members automatically advancing upon the election of Prof. Engelman as chairman. About sixty members were present.

The entire session today was devoted to discussion of the work of the Illinois Educational commission appointed by the last legislature to investigate conditions in schools of the state and to report to the standing legislature.

The speakers were, Francis G. Blair, state superintendent of public instruction; A. M. Shelton, chairman of the state commission; H. A. Bone, professor of rural education at Illinois State Normal University and Dean Thompson of the University of Illinois.

The next meeting of the club will be held in Peoria on the second Friday and Saturday of October, 1922.

## CHAMPAIGN COUNTY FARMERS WILL CUT CORN CROP DOWN

Agree to Reduce Acreage One Fourth This Year

(By The Associated Press)

CHAMPAIGN, Ill., Feb. 4.—Champaign county farmers, at a mass meeting this afternoon, agreed to cut their corn acreage one-fourth during the coming season and hold No. 2 corn for fifty cents a bushel.

Twenty-five of the twenty-nine townships in the county were represented. D. J. Holterman of Saurdus township, presided and Dr. J. L. Groves of Champaign township, was secretary. The speakers were, Francis G. Blair, state superintendent of public instruction; A. M. Shelton, chairman of the state commission; H. A. Bone, professor of rural education at Illinois State Normal University and Dean Thompson of the University of Illinois.

The speakers were, Francis G. Blair, state superintendent of public instruction; A. M. Shelton, chairman of the state commission; H. A. Bone, professor of rural education at Illinois State Normal University and Dean Thompson of the University of Illinois.

Developments at further hearings before the house ways and means committee disclosed that in spite of Secretary Mellon's opposition to the plan several major members favor the use of part of the proceeds from the refunded British debt in helping to finance the adjusted compensation. They believe this would meet with a greater measure of public approval than would a program involving the raising of the entire amount by means of special taxes.

**Would Be Breach of Contract.**

Representative Rameyer, Republican, Iowa, opposed the proposal arguing that such use of the money would be a breach of contract with the holders of Liberty bonds who he said had been told in the law adopted by congress that the proceeds from the foreign debt would be used to retire the Liberty bonds issued to raise the money advanced to the debtor nations.

**GOVERNMENT CALLS HALT ON AMATEUR RADIO OPERATORS**

Says Their Activities Interfere with Commercial Service

(By The Associated Press)

WASHINGTON, Feb. 4.—Orders for temporary suspension of radio broadcasting by amateurs because of interference caused regular radio service was announced today by the commerce department.

Radio broadcasting, the department explained, is a new wireless service which has developed rapidly during the past three months and now embraces the sending out of everything from market quotations and crop estimates, health talks, weather forecasts and high class entertainment to lectures, sermons, music and announcements as to stolen automobiles.

The result has been to fill the air with radio reports to the detriment of commercial and necessary services.

**PROBABLY TRIPPED OVER HIS NAME.**

Thomson, Conn., Feb. 4.—Mr. and Mrs. Anatase Andrevitch Vonslatsky-Vonslatsky—Russian workman and Chinese heiress, secretly married in New York last night failed to arrive here today for their honeymoon at the home of the bride's mother, Mrs. Norman B. Ream, as previously announced.

**INTEREST PAYMENT.** The current maximum and minimum temperatures as recorded Saturday were:

## FINANCING OF BONUS BY SALES TAX ABANDONED

Majority of Republican Leaders Are Opposed to It

(By The Associated Press)

WASHINGTON, Feb. 4.—Republican house leaders are understood virtually to have abandoned the idea of financing the soldiers' bonus by means of a general sales tax, a program which has been freely discussed with favor at both ends of the capitol.

Opposition among the majority members mostly from the middle and far west to a sales tax is said to be so strong as to threaten defeat of such a program. The alignment against it is understood to be practical that which forced acceptance of the 50 per cent income surtax voted into the revenue bill by the senate.

Developments at further hearings before the house ways and means committee disclosed that in spite of Secretary Mellon's opposition to the plan several major members favor the use of part of the proceeds from the refunded British debt in helping to finance the adjusted compensation. They believe this would meet with a greater measure of public approval than would a program involving the raising of the entire amount by means of special taxes.

**WOULD BE BREACH OF CONTRACT.**

Representative Rameyer, Republican, Iowa, opposed the proposal arguing that such use of the money would be a breach of contract with the holders of Liberty bonds who he said had been told in the law adopted by congress that the proceeds from the foreign debt would be used to retire the Liberty bonds issued to raise the money advanced to the debtor nations.

The Associated Press is exclusively entitled to the use for republication of all news dispatches credited to it or not otherwise credited in this paper, and also the local news published herein.

No wonder that the city papers refer to the youthful Russian workman who married Mrs. MacNider, worth millions as V. V. The aforesaid Russian has 39 letters in his name and that's too much newspaper space merely for name purposes.

Evidently running a mail order house is not as interesting and profitable an occupation as the average retailer thinks. Montgomery Ward & Co.'s recent report show a loss for the year of \$10,000,000. The record made by Sears, Roebuck & Co., published several weeks ago, showed much heavier losses, as the bulk of business done was greater.

Colonel MacNider has given positive proof of his appreciation of the honor of serving as commander of the American Legion. He has declined to have his name considered in a list of possible appointees to succeed Senator Kenyon of Iowa. Col. MacNider chooses well, for the great post war organization of which he is the head has the prospect of occupying a still more influential place as the years pass.

**THE JACKSONVILLE SPIRIT.**

"A good tone prevails in Jacksonville now and there is a fine spirit manifest." This was the off-hand statement yesterday of a man quite intimately in touch with the financial affairs of this city and of many other cities in Illinois.

The statement is corroborative for local men interested in finance and business are impressed with the fact that conditions here just now are especially satisfactory by comparison with those existing in many other cities. These conditions augur well for increasing growth and prosperity.

Jacksonville is going to expand. In fact, the process is under way. This does not mean that numerous great factory chimneys will soon be smoking here, but it does mean that people are working together as they have seldom done before and that a genuine optimism prevails as to the possibilities of the future. Conservative business men look for a gradual growth in population. They believe that some stable industries will be added as the months pass. They believe that still greater benefits will come even more quickly from the trade area to be opened up by the hard road system to the south and to the west.

The solution of the water supply question cannot be too often

**MUCH INTEREST  
IN BIG MEETING**

Pikes Peak Ocean to Ocean Highway Meeting in Springfield — Pershing Will be Principal Speaker.

Plans for several important building operations are in the making which will give tangible expression to the faith that men have in the future of the city.

Still another basis for the present good feeling is the better tone that prevails in agriculture. The weeks and months of effort put forth by the government and by various agencies to better farm conditions are beginning to bring results. There has been a widespread desire to improve affairs for the farmer, not merely as a good turn to the farmer himself but because of the realization that the improved farm condition must come in order to stabilize and improve general business conditions. The present price of hogs is very satisfactory to the farmer. In recent weeks the price of wheat has moved up in quite a conspicuous way and there has been a moderate advance in the value of corn. As has been so often said, the prosperity of Jacksonville depends in a great measure upon agricultural conditions, and so it can be safely said that the improvement of affairs in the agricultural districts is reflected in the local situation.

The unprejudiced observer must also give some measure of credit for this onward movement in Jacksonville to the city government, the Chamber of Commerce, to other organizations and groups and to some individual business men of broad vision and of great faith in Jacksonville.

**WANT AUTOS FOR BOY SCOUTS**

Persons who will volunteer to furnish cars to transport the Boy Scouts to Springfield February 13, to the big meeting at which Vice President Coolidge and General John J. Pershing will be present are requested by the managers of the various Scout troops to give their names to the ministers of the various churches to-day after the service.

There are over two hundred boy scouts in Jacksonville and a place has been reserved for them in the line of march at Springfield, Jacksonville should lend a helping hand to the scouts and see that the boys of the city are given this trip.

Side trips to Oak Ridge cemetery and Lincoln's tomb will be made and the day will be one the boys will not soon forget. The scouts will repay the citizens of Jacksonville for the trouble this trip will be to them in the service they will render in the days to come.

**RETURNS FROM VISIT**

Mrs. Lambert Hastings of South Jacksonville has returned from Ada, Minnesota, where she has just completed a pleasant visit of six weeks at the home of her son Claude Self.

**MUCH INTEREST  
IN BIG MEETING**

Pikes Peak Ocean to Ocean Highway Meeting in Springfield — Pershing Will be Principal Speaker.

More than usual interest is being manifested in the coming booster meeting to be held in Springfield February 13, in the interest of the Pike's Peak Ocean to Ocean Highway association.

From indications this meeting promises to be the largest gathering of good roads enthusiasts ever held in Central Illinois. There are many out-of-the-ordinary attractions in Springfield Monday the thirteenth, and an unusually large crowd of visitors are expected.

Much interest centers around this good roads meeting as General John J. Pershing will be the principal speaker of the day. The following telegram has been received by the Jacksonville Chamber of Commerce from General Manager J. D. Clarkson of the association:

Chamber of Commerce, Jacksonville, Ill. —

Having received a telegram from General J. J. Pershing that he will be in Springfield, Monday February thirteenth, and would be pleased to address the delegates of the association bearing his name, the date of the meeting of the Illinois Division of this Association is changed to Monday February the Thirteenth, 1922, at ten o'clock A. M.

You should have as big a delegation from your town and county to attend this meeting as possible.

The presence of General Pershing in connection with our meeting will be a wonderful piece of publicity for our road if you get a crowd there to hear him.

The Pike's Peak Ocean-to-Ocean Highway Ass'n.

The Pershing Transport Route.

By J. D. Clarkson, Gen'l Mgr.

Headquarters Leland Hotel.

The Ocean to Ocean Highway is one of the big assets to the business and community life of Jacksonville. It is as valuable as an additional railroad and should be as highly prized. Jacksonville people cannot afford to not make a creditable showing at Springfield on the thirteenth and the officials of this highway are anxious that a large delegation is present at this meeting. It has been suggested that not less than 500 should attend from this city.

Pike county has a large delegation organized who will attend and a big delegation from Hannibal has been announced. The affair was a regular college dance given under the auspices of this society and college students and members of the faculty of the college and conservatory were present. An excellent program of dance music was furnished by the Darley-Brown Serenaders and light refreshments were passed during the evening. Dr. and Mrs. C. H. Kamekappa and Professor and Mrs. J. G. Ames acted as chaperones for the affair. The committee in charge of the dance was chairmaned by Miss Blanch Tripp and included Miss Anna Frances Bradley, Miss Ruth Bradley, Miss Mary Duncomb, Harlan Moses and Miss Josephine Conroy.

Side trips to Oak Ridge cemetery and Lincoln's tomb will be made and the day will be one the boys will not soon forget. The scouts will repay the citizens of Jacksonville for the trouble this trip will be to them in the service they will render in the days to come.

**YOUNG MILLIONAIRE WEDS WASHERWOMAN'S DAUGHTER**

Sensation in 400 as Dick Prentiss Elopement With Shamrock O'Day

Nothing in years has so astonished New York society as the marriage of Richard Prentiss, heir to a fortune estimated at \$20 million, to a washerwoman's daughter. The hidden secret of the match is now known. The couple got married in a quiet ceremony at the home of the bride's parents in a small town in New Jersey. The wedding was performed by a justice of the peace.

"It is simply a case of real love," said the bride's father, "and we are both very happy." The bride is a young woman of 18, and the groom is 22. They have been engaged for a year. The bride's parents are poor, but the couple is well-to-do. They are the first to admit that they are not rich, but they are happy.

"We are not rich, but we are happy," said the bride. "He is a good man, and I am a good girl. We are both very happy."

"The bride's parents are poor, but they are happy," said the bride. "He is a good man, and I am a good girl. We are both very happy."

## WANTS IMMEDIATE SETTING FOR THE ARBUCKLE TRIAL

District Attorney Will Ask Court to Set Early Date

By The Associated Press

SAN FRANCISCO, Cal., Feb. 4.—District Attorney Bray, announced today that he wanted the third manslaughter trial of Roscoe C. (Fatty) Arbuckle set for some time next week or at the latest Feb. 12, a week from Monday.

The case is to be set definitely Monday. Judge Louderback indicated he did not approve of the district attorneys suggestion, saying there were a number of defendants in jail awaiting trial. He proposed March 6, 13 or 14, as desirable dates.

The district attorney intimated that he would ask that Alice Blake and Zey Prevost, two prosecution witnesses be subpoenaed and placed under bond to insure their appearance at the third trial.

The two jurors who voted in the second trial for Arbuckle's acquittal declared today they felt the prosecution had not presented a convincing case.

## AMERICAN DOGS

### WIN BIG RACE

Berlin, New Hampshire, Feb. 4.—Five American bred huskies, their tails curled proudly aloft scampered into town this afternoon to win with ease the International Dog team race of 120 miles that started from here last Thursday. The huskies, owned and piloted by Arthur T. Walden of Wonalancet, received a perfect point score as to time and condition. They made the three day dash in a corrected time of 15 hours and 36 minutes and covered the day's lap of 32 miles from Lancaster in three hours and 37 minutes.

Accustomed to travel over New Hampshire hills and dales, the huskies found the going on the snow packed roads more to their liking than did the Mongrels of Jean Lebel, of Dersimis, Quebec. His time was 16 hours and 22 minutes.

HOPES TO REVIVE BALKAN FEDERATION

SOFIA.—By the A. P.—Hopes of some day reviving the Balkan Federation which existed before the world war are entertained by Premier Alexander Stamboulysky.

"The catastrophe of the war," he said, "has shown the Balkan states that in union lies their strength and security. I am convinced that the people of Yugoslavia are in favor of union with us, but there are certain elements in the Serbian government that are not so sympathetic toward us."

"Our Balkan neighbors must be convinced of our intentions for we have returned all the locomotives, coal, machine, cattle and other property required of us. The value of this property runs into hundreds of millions of levas (nominally about 15 cents each)."

## LAW MAKES IT BAD FOR THRESHERMEN

New Law Prohibiting Rough Wheeled Traction Engines on Hard Roads Means Bankruptcy.

PEORIA, Ill., Feb. 3.—"Either criminals or bankrupts is the alternative facing Illinois threshermen, as a result of the act of the last legislature in passing a law limiting the width of farm machinery, and forbidding rough wheeled traction engines on state roads," according to a statement by T. I. Davidson of La Place, in announcing the 12th annual convention here of the Illinois Brotherhood of Threshermen, of which he is president.

Threshermen and farmers from all parts of Illinois will attend the meeting to extend their aid in an organized protest planning, Mr. Davidson said. The meeting will open February 28 and continue three days.

"That law makes criminals of every man who owns a threshing machine," Mr. Davidson declared, "and it makes criminals of every farmer who hauls loaded hay or straw, more than eight feet wide over any public highway under the rule of highway commissioners."

"Passage of the law requiring the removal of cleats and lugs from the wheels of traction engines seems absurd. Any reasonable man, or any man who knows anything of threshing machinery would never require smooth wheels. That law would destroy at least \$80,000,000 worth of property. It would cost the threshermen of Illinois more money than the cost of all the roads of concrete or brick in the entire state."

"This is no exaggeration. The assessed value of traction machinery used for threshing grain, grading highways, hauling material, and farm products, has on the farmer and threshing man more than \$100,000,000."

"Compliance with this law would bankrupt between 12,000 and 13,000 men, and grain would have to go unthreshed, clover unhulled, beans unshelled and farmers from Cairo to Chicago would feel the ruin indirectly, of every thresherman in the state."

"An organized attack on every representative or senator that voted for that legislation will be authorized at our convention. We are extending an invitation to all farmers interested to meet with us."

KILL MANY RATS IN ST. LOUIS

ST. LOUIS, Mo.—More than 150,000 rats have been killed in the business district here, it was estimated by Health Commissioner Starkloff, who is conducting a campaign to exterminate the rodents. An unusual number of rats, driven from their haunts by poison spread in the district, are being seen.

W. E. Morrow was down from Alexander yesterday meeting friends and looking after business.

WALTER HINES OF ISLAND GROVE

was a visitor to the city yesterday.

## LAUNCH CAMPAIGN AGAINST MOSQUITO

CARPONALE—This city has launched a campaign against the mosquito following announcement of statistics by A. F. Ferguson, chief sanitary engineer of the health department, that malaria cost Jackson county 9 lives and \$200,000 in medical aid and loss of labor and production in 1920, when more than 2,700 cases were reported. It is probable, health authorities said, that Carbondale would be chosen as a place of demonstrating the eradication of mosquitoes by federal and state health departments.

Chinese ex-soldiers of the American Legion in New York City are to be employed in rounding up 50 slackers of their race, supposed to be in hiding in Chinatown, the man qualified on their knowledge of the quarters is at home for a short vacation.

DRUM CORPS TO TAKE PART

## The GRAND PRIZE EUREKA Electric Vacuum Cleaner

Your Work Made a Pleasure and Your Home a Delight

The measure of Eureka Superiority lies in the great volume of air that rushes thru the nozzle—and the Velocity at which it travels.

The wonderful little Eureka Motor creates an exceedingly high vacuum that pulls a great volume of air through the carpet or rug; and the velocity at which this air travels loosens every particle of dust or dirt embedded in the fabric and carries it up into the dust bag.

The carpet or rug is left perfectly clean and sanitary.

The Eureka cleans in the most thorough manner not only all carpets and rugs—but with its numerous attachments it is just as effective in the cleaning of upholstery, mattresses and draperies.

The brush inserted in or attached to the nozzle of this type of cleaner is there solely for the purpose of removing the lint, hair and threads from the surface. The air gets the dirt—the dirty, unsanitary dirt embedded in the rug or fabric.

Complete with All Attachments, \$53.50

# JACKSONVILLE WINS TWELFTH STRAIGHT

## COACH MITCHELL'S MEN TAKE WAVERLY INTO CAMP AGAIN

**Game Was Hard Fought and Marked by Close Guarding by Both Teams—Waverly Fought Hard in Last Half Holding Jacksonville to an Even Score**

Jacksonville's high school basketball five by defeating Waverly high for the second time this season on the Waverly floor Saturday night, added its twelfth straight victory to the season's record.

The final score was 19 to 14 in favor of the locals and marked one of the hardest battles the five has engaged in this season. Waverly showed much improved form over that displayed in the game played here.

The contest was witnessed by one of the largest crowds of the season at a Waverly game. In this gathering there was a good sprinkling of local rooters who accompanied the team.

The game started off with a rush and the players kept up their speed from the first to the last whistle. Jacksonville again found trouble in solving the Waverly defense which was much better than it was in the game played here.

### LUNDGREN CALLS ILLINI BALL TEAM

Has Many Promising Candidates For Team This Year—Especially Strong in Pitching.

URBANA, Ill.—Coach Carl Lundgren has gathered together his rookies and his baseball champions of last spring and practice is being held in the Illinois Armory every afternoon. Prospects today seem even better than last season with Jackson, Barnes, Banker and McCann, last year's complete pitching staff, working out, backed by a full team of regulars in the in and outfield.

Both teams played a better game on defense than they did on offense. Waverly did especially good defensive work and in the second half held Jacksonville to an even score.

Coach Mitchell started Houston at guard again and he did good work showing he can stand under fire on a foreign floor. Hunt who has been sick all week was injected into the game in the second half and he speeded up the play considerably.

While there was lots of enthusiasm, the Waverly rooters showed good sportsmanship and the boys were well pleased with their treatment. The next game the locals have is with Jerseyville here next week. The score:

Jacksonville:	F.G.	F.T.	Tls.
Goebel, f.	4	0	8
Hunter, f.	4	3	11
Putnam, c.	0	0	0
Houston, g.	0	0	0
Hunt, g.	0	0	0
Aster, g.	5	0	0
Total:	8	3	19
Referee—R. E. Harmon, Illinois College.			

I hereby announce myself as a candidate for road commissioner in District Number Three, subject to the April election.

Edwin Smart Shoe Co.

### WHITE HALL WINS FROM JERSEYVILLE

Green County Team Continues its Winning Streak—Take Close Game From Opponents by Score of 21 to 19.

White Hall, Feb. 4.—White Hall high school defeated Jerseyville high at basketball in the new gymnasium here tonight in an exciting game, the final score being 21 to 19. It was White Hall's fourth straight victory.

The game was close throughout and it belonged to either team until the final whistle sounded. The visitors broke the ice with the first score, a pretty field basket. The game was then nip and tuck with the score a tie at six all at the end of the quarter.

When the half ended the score was 12 to 11 in favor of White Hall. In the last half White Hall maintained this advantage each scoring the same number of points as in the first half.

White Hall played an excellent passing game and the Jerseyville guards found it a big task to stop the local forwards.

Goode was the high scorer with 10 points and England followed closely with nine. Painter who took the place of Boyd the regular forward who is sick played a good game as did Smith and Search at the guard positions. Daniels, Egglehoff and Harris starred for Jerseyville. The score:

White Hall—	F.G.	F.T.	Tls.
Painter, f.	0	0	0
Goode, f.	4	2	10
England, c.	4	1	9
Smith, g.	1	0	2
Hansberger, g.	0	0	0
Search, g.	0	0	0
Total:	9	3	21
Jerseyville—	F.G.	F.T.	Tls.
Daniels, f.	4	1	9
Ford, f.	1	0	2
Egglehoff, c.	2	0	4
Harris, g.	0	4	4
Wiles, g.	0	0	0
Total:	7	5	19

ROCKNE BUILDING HIS TRACK TEAM

Notre Dame Coach Has Five Star Combination for Nucleus—Athletics Have Busy Schedule Mapped Out for Coming Season.

SOUTH BEND, Ind., Feb. 4.—Around a five star combination of athletes Coach Knute Rockne is building a track team that he believes will bring high honors the University of Notre Dame this year.

Rockne has these five men as a nucleus for his team: August Desch, world's low hurdle champion; Johnny Murphy and William Hayes, former national champions in the high jump and 100 yard dash, respectively; "Buck" Shaw, conference title holder in the shot put and Chet Wynne, a hurdler of national renown.

In addition to this quintet, Rockne has several men who performed well in meets last year. Among them are Edward Hogan who has a pole vault mark of 11 feet, 9 inches; Eugene Oberst who has thrown the javelin 170 feet and John Montague with a record of 0.51 for the quarter-mile. These marks were all set in meets last year and the holders are expected to show better this season.

Notre Dame will send representatives to the Millrose Athletic club games in New York in February and to the First Regiment meet in Chicago, March 10 and 11. Indoor dual meets have also been arranged with Wisconsin to be held at Notre Dame, Feb. 18 and with Illinois at Urbana, Feb. 25. A team will also be sent to the Illinois Relays at Urbana, March 4.

LAKE FOREST

WINS ANOTHER

LAKE FOREST, Ill., Feb. 4.—The Lake Forest Basketball team defeated Elgin Academy today 34 to 12. Lake Forest was crippled by the inability of Rhorback and the sickness of Patterson. Elgin made but two field goals.

Lake Forest bantamweights overwhelmed the bantamweight team from Allendale Farm 19 to 5.

COLLINS LOSES FINAL MATCH

New York, Feb. 4.—Percy C. Collins, of Chicago, former amateur 18.2 balkline billiard champion lost his final match of the national amateur tournament tonight to Francis D. Appleby, local player, 300 to 265.

The loss placed Collins in fourth place with Emil Renner of Youngstown, O.

Francis Appleby will meet his brother Edgar for the championship Monday night.

KNOX DEFEATS CORNELL COLLEGE

GALESBURG, Ill., Feb. 4.—Knox College basketball team won its first home game since returning from its eastern trip tonight by defeating Cornell College, 43 to 25 in a close game. Captain Crabbe and Albro were unable to play for Knox because of injuries received on the eastern trip.

L. H. Maul made the trip from Literberry yesterday to the city to attend to business.

JACK KEYWOOD

### KEYWOOD MAY STAY THRUOUT SUMMER

Local Golfers Would Keep Professional Instructor — Many Have Signed up to Retain Him.

Greater interest has been displayed in golf during the past month. Jack Haywood in charge of the instructions, gave 134 lessons in January. Several visitors from Springfield and other points out of the city took lessons from Mr. Keywood and express great satisfaction with his instruction.

In addition to giving a large number of lessons, Mr. Keywood is making clay models of the greens on the Nichols Park course, with a view to making permanent recommendations for the course.

A petition has been circulated by some interested golfers during the past week with a purpose in view of obtaining the sentiment of the public in regard to the keeping of Mr. Keywood here during the coming year. Up to last night two hundred and fifty people have signed in favor of holding Mr. Keywood in Jacksonville. His contract expires April 1, and he anticipates taking another position at that time. Keywood's home is Hirsham, Eng., where he learned the game of golf and constructed golf courses. Keywood is also a professional landscape gardener and has complimented very highly the natural beauty of the local course.

CHICAGO, Feb. 4.—The proposed match at Kenosha, Wisconsin, scheduled for next Thursday between Joe Burman, Chicago bantamweight and Sammy Mandell of Rockford, Ill., has been called off, it was announced today. Mandell had been substituted for Frankie Schaeffer in a match originally set for last Friday but it is understood that members of the Wisconsin state boxing commission considered the time too short to put on a match of the importance of the one contemplated.

Conch Burns said that some of his players lost control of themselves in the excitement incident to the play, but he believes they will soon overcome that failing as they gain more experience.

Mandell, captain of the team played an excellent game and gives promise of developing into a star. Team work needs to be developed further. The squad will practice with the Jacksonville High school team in David Prince gym Wednesday and hope to get some pointers in floor work and passing from Mitchell's undefeated five.

Conch Burns expects to keep his men hard at work and would like to get in touch with any high school teams in this section to book future games. The score:

I. S. D.	F.G.	F.T.	Tls.
Schrader, t.	0	0	0
Taylor, f.	2	0	4
Dillard, f.	0	0	0
Rose, t.	5	0	10
Mannen, c.	3	0	6
Clark, c.	0	0	0
Montgomery, g.	0	0	0
Mazzinkoff, g.	4	0	8
Crabbe, g.	0	0	0
Szwoski, g.	0	0	0
Total:	14	0	28
Referee—Witaschek, Illinois College.	F.G.	F.T.	Tls.

FRANKLIN SECONDS DEFEAT PALMYRA

Defeat Visitors by an Overwhelming Score—Rawlings and Baker Star for Franklin.

Franklin, Feb. 4.—Franklin high school's second team defeated the Palmyra second in Marquette hall tonight by a score of 11 to 7. The local tossers outclassed their opponents and won as they pleased.

Baker, Rawlings and Smith made most of the points for Franklin. O'Neill and Humphries scored the points for Palmyra.

The game was witnessed by a large crowd and much enthusiasm prevailed. The score:

Franklin—	F.G.	F.T.	Tls.
Baker, f.	5	0	10
Smith, f.	3	1	7
Rawlings, c.	5	0	10
Henderson, g.	2	0	4
Bergschneider, g.	0	0	0
Total:	14	0	28
Referee—Witaschek, Illinois College.	F.G.	F.T.	Tls.

O'NEILL WILL STAY AT COLUMBIA

NEW YORK, Feb. 4.—Frank J. "Buck" O'Neill, who will be retained by Columbia University next fall will be assisted by John C. Depler, captain of the 1920 University of Illinois eleven. Robert W. Wat, graduate manager of athletics announces tonight. Depler made the hypothetical all-American eleven in 1918, when he played center at Illinois.

TOM DALY GOES TO LOS ANGELES

CHICAGO, Feb. 4.—Tom Daly, catcher of the Chicago Nationals tonight was released by President Veeck, to the Los Angeles club of the Pacific Coast League. Daly is the fourth member of the Cubs to be turned over to the Los Angeles Club in payment for outfielder Arnold Statz.

ILLINOIS SWIMMING MEET

LAFFAYETTE, Ind., Feb. 4.—Illinois defeated Purdue in a Western conference dual swimming meet today, 53 to 15.

HOLEPROOF HOSE

SPRINGFIELD, Ill., Feb. 4.—Announcement was made here today that the Illinois Sangamon, a semi-professional baseball team, will continue its career throughout 1922. This set at rest rumors that the Illinois Watch Factory would follow the lead of the Staley company of Decatur, and withdraw from the field.

SPRINGFIELD, Ill., Feb. 4.—The announcement also precludes the possibility that Springfield will re-enter the Three-I league. R. F. Kinsella, former owner of the old Springfield III club, and scout for the New York Giants said that with the Sangamon, Springfield would not care for a Three-I team, and could not support it.

The lineup and summary:

Minn. (19)	Ind. (23)
Severance . . . . f	Thomas Doyle . . . . If
Hanson . . . . c	Santord . . . . If
Coffey . . . . c	Sloane . . . . c
Sullivan . . . . rg	Sloane . . . . s
Hultkrans . . . . lg	Hause . . . . s

STILL EXCITED OVER CHECKER MATCH

GLASGOW, Feb. 4.—Four games were played today in the world's checkers championship between Robert Stewart, the Glasgow expert and Newell W. Banks, of Detroit, all resulting in draws. The match has reached the half way mark with Stewart credited with two wins and Banks yet to win his first game, while 69 games have drawn.

Judge Landis cited Harris' service in France explaining that he had been passed and said that Harris' experiences abroad might have caused him to do new things which he otherwise would not have done.

### I. S. D. FIVE WINS FROM CHAPIN HIGH

Deaf Lads Take First Game Ever Played by School—Show Promise of Developing Strong Team.

Playing the first basketball game in the history of the institution the Illinois State School for the Deaf defeated Chapin high school at basketball in David Prince gymnasium Saturday night by a score of 28 to 11.

The state school players have been practicing hard for several weeks and in the game last night showed an excellent passing game. However, their shooting was inaccurate and they also were lacking in endurance as basketball is one of the most strenuous games played.

Coach Burns said that some of his players lost control of themselves in the excitement incident to the play, but he believes they will soon overcome that failing as they gain more experience.

Massell, captain of the team played an excellent game and gives promise of developing into a star. Team work needs to be developed further. The squad will practice with the Jacksonville High school team in David Prince gym Wednesday and hope to get some pointers in floor work and passing from Mitchell's undefeated five.

Conch Burns expects to keep his men hard at work and would like to get in touch with any high school teams in this section to book future games. The score:

## FORMER RESIDENT NOW IN POLITICS

Judge Edward J. Fleming Is Candidate for Nomination for Mayor of Kansas City on Democratic Ticket—Was Student at Routh College.

Judge Edward J. Fleming, whom many will remember when resident here, has tossed his hat in the ring for the nomination for Mayor of Kansas City on the Democratic ticket.

Judge Fleming was taken from an orphanage by Mrs. John Cain, Sr., mother of John H. Cain, residing south of the city, and given an education. He was one of the first students at Routh college and gave promise then of making a name for himself.

Clippings from two Kansas City papers received by Ald. John D. Cain give reports of a big dinner in Hotel Baltimore when the announcement of Judge Fleming's candidacy was made known.

It appears from the reports that Judge Fleming does not stand with the political bosses of the metropolis of Western Missouri. However, more than twelve hundred men and women voters were present at the affair and the evening was one filled with enthusiastic speeches.

Friends of Judge Fleming in this vicinity will watch with much interest his campaign and will hope for his success.

## MANCHESTER BOYS SURPRISED TEACHER

Mrs. Robert Barber Given a Very Pleasant Surprise by S. S. Class—Other Manchester News.

MANCHESTER, Feb. 4.—Mrs. Robert Barton was given a pleasant surprise Saturday afternoon by the boys of her class in the Baptist Sunday school. Ten boys were present and they played various games and later enjoyed light refreshments. The occasion was very pleasant one for both teacher and pupils. The boys present were George Elder and Herman Peak, Dale, John and David Rees, Carl Simmons, James Hayes, Clarence Preston and Normal Cully.

Mr. and Mrs. Edward Haley of Jacksonville spent Saturday in Manchester.

Roy Lawson of Chicago arrived Friday evening for a two weeks' visit with his parents, Mr. and Mrs. G. W. Matthews and other relatives.

Mrs. E. O. Hess and daughter, Fern, of Jacksonville, visited Mrs. William Arendell Saturday.

The True Blue class of the M. E. Sunday school had a food sale at the Ryle restaurant Saturday. A neat sum was realized for the class treasury, as the patronage was very liberal.

Mrs. George Mathews received word Saturday of the death of her aunt, Mrs. Elizabeth Jane Coates, at her home in Wichita, Kansas. No particulars as to the cause of death were received. The body will arrive in Roodhouse Sunday evening and the funeral will be held from the M. E. church there at 1 o'clock Monday afternoon.

## CHICKEN PIE SUPPER AT LITERBERRY

Christian Church Sunday School Class Serves Annual Supper on Saturday Evening to Large Crowd.

The annual chicken pie supper given by the Mothers class of the Literberry Christian church Saturday evening was a very successful event. The supper was served in the basement of the church and there the large crowds were served in a faultless manner. The menu was an excellent one, including chicken pie, mashed potatoes, scalloped oysters, fruit salad, slaw, brick ice cream, cake and coffee.

Mrs. Jennie McFarland is the teacher of the class and it was a matter of general regret that she was unable to be present.

The committee in charge of the various food articles are named below:

Chicken Pie—Mrs. Howard Liter, Miss May Myers.

Mashed Potatoes—Mrs. Edward Ator, Mrs. Robert Loving.

Scalloped Oysters—Mrs. L. H. Maul, Mrs. William Phillips.

Cakes—Mrs. G. T. Liter, Mrs. Henry Lamkular.

Coffee—Mrs. Al Chapman and Mrs. C. T. Berry.

In charge of tables—Mrs. Fred Henderson, Mrs. John Hitchens, Mrs. Frank Ogle and Mrs. West.

In charge of sale of tickets—Mrs. Edith Ogle.

New Spring Manhattan Shirts—Myers Bros.

## YOUNG PEOPLE OF WOODSON CHURCH MET

Christian Church Young People Held Social Friday Evening in Church Basement, Other Woodson News.

WOODSON, Feb. 4.—The regular monthly social of the young people of the Woodson Christian church was held in the church basement Friday evening. The committee in charge of the event included Mrs. Emma Taylor, chairman; Misses Lucile Adams and Ruth Shirley and Wilbur Taylor. A number of hours were spent very pleasantly with games and refreshments of a very acceptable kind were served. Mrs. I. H. Fuller gave a reading, "A Yankee in Love," which was very much enjoyed.

Mrs. Edna Sorells and Dr. R. R. Jones have both been confined to their homes by illness, but are now reported improving.

Otto Finch and family of Murryville spent the afternoon with Mrs. John Smith at the home of her son, H. F. Smith, recently.

Mrs. Louis Biggs of Jacksonville is visiting her sisters Mrs. George Waters and Mrs. James Hitch for a few days.

Mr. and Mrs. James Hitch returned Wednesday from Patterson where they spent a few days with the former's father, W. T. Hitch. Last Sunday the latter celebrated his 83rd birthday and the observance was a very notable one.

Mrs. Edward Gallagher who has spent the past week at the home of her daughter, Mrs. Frank McCurley, at Stratton's Crossing, returned to her home in Woodson Saturday. She was accompanied home by her six-year-old grandson, James, who will spend a few days with his grandparents. The little daughter of Mr. and Mrs. McCurley has been seriously ill of pneumonia but is now improving.

Mrs. Charles Riggs and little son Phillip of Jacksonville came to Woodson Saturday for a brief visit with the former's parents, Mr. and Mrs. William Galloway. Mr. Riggs will spend Sunday in Woodson.

## LAST OF BELL PHONES TRANSFERRED SATURDAY

At 5:30 o'clock Saturday afternoon the last of the Bell-Illinois Telephone company's lines were cut into the Illinois exchange. This means that all subscribers of Bell phones are dead. The toll board still remains at the Bell offices but in the near future it will also be changed to the Illinois offices and then the task of removal will be entirely completed.

The transferring of so many phones has been a huge task and A. L. Taylor of the Illinois-Bell Co., said last night that the work had been carried on in a way to avoid inconveniences to subscribers just as far as possible.

**SON OF JOHN M. CLAPP**  
DIES IN EAST.

The New York Times in a recent issue mentions the death of the infant son of Mr. and Mrs. John M. Clapp, 360 East 19th St., Brooklyn. Interment will be made in New Lebanon, N. Y. Mr. Clapp will be remembered by a number of Jacksonville people as a member of the faculty of Illinois College 25 years ago. In more recent years he has been out of educational work and engaged in business.

**GO TO EASTERN MARKETS**

Mr. and Mrs. C. C. Phelps left Saturday for New York City and other eastern points. They will combine business with pleasure inspecting the eastern dry goods markets and also visiting their daughter, Mrs. Austin T. Foster of New York City.

## BUILDING NOW READY FOR NEW FACTORY

Rothechild Clothing Factory Ready for Occupancy as Soon as Machinery Is Installed.

The work of installing the machinery in the new Rothechild clothing factory is to begin at an early date, as the first shipment will arrive from Chicago Monday. The building at the corner of West and North streets which the factory is to occupy is now in readiness for occupancy and the installation of the equipment will begin at once. The first shipment will include 46 machines and the work of installing them will be under the direction of an expert millwright from Chicago, assisted by local mechanics.

In addition to the machines there will be pressing boards and other equipment and when all is in place it will practically fill the building. It is probable that it will require at least ten sets to get the factory in running order.

It is the expectation that sixty or seventy five persons will be put to work in the beginning, and that by summer the number will be increased to 100 or more. Fifteen people are already in training for their new duties and others are being added daily. Work for the new clothing factory is now in progress at the Jacksonville Tailoring Co. plant.

Albert Renner, who is managing the new factory is bending all his energies toward the task of getting the work in full swing.

### SEED DAY OBSERVED AT FARM BUREAU

Consumers and Producers Met  
and Numerous Sales Resulted.

A great deal of interest was shown in Seed Day at the Farm Bureau office Saturday. As a result there were several hundred visitors at the rooms of the bureau in the Rabjohns & Reid building and there were numerous sales of seed. In arranging for this seed day, the farm bureau sent out notices to the membership and got in touch in a special way with those members having seed for sale.

Sample were displayed and such rules were followed that there can be no doubt about the quality of the seed which will be delivered. The average prices which ruled were: Oats, 40¢ to 50¢ per bushel; clover, \$12 per bushel; sun beans, \$2 per bushel, and corn 5¢ per bushel.

Most of the transactions were in the seeds mentioned and in addition there were several sales of timothy seed.

### MRS. HELEN READ PLANS FOR CONCERT WORK

Well Known Artist Will Appear During a Three Years Period Under the Management of Harry Culbertson.

Mrs. Helen Brown Reed, who for a number of months past has been conducting a musical studio in Chicago, has recently signed a three year contract with Harry Culbertson, a Chicago manager. The first of these concerts was given recently in the Lyon and Healy hall in Chicago and the program was enthusiastically received.

The Chicago Tribune made the following comment:

At the Lyon and Healy hall Mr. Culbertson introduced: Helen Brown Read in a song recital. Mrs. Read belongs in the dramatic soprano category, with a voice of breadth, volume and quality. The hall was reached just in time to hear her sing Schubert's "Erl King," which she did in an impassioned and highly effective manner.

"From that point her program consisted chiefly of songs in English, a language to whose enunciation she has evidently given much attention. With her endowments of voice and talent and her acquisitions vocal and verbal, she made a pronounced and deserved hit with her audience. Richard Mageman's lovely "At the Well" was repeated, and several encores were demanded."

Mr. Culbertson plans for a New York recital and an extended concert tour during the present year.

### THE ELI YEAR'S RECORD

That the Eli Bridge Co. operates one of the stable concerns of Jacksonville is shown in a recent financial statement. The company has resources of \$227,496.01 with total liabilities of \$164,511.64. During the fiscal year a profit was shown of \$23,106.58, and at a recent meeting of directors a 10 percent dividend payment was authorized.

### ROTALEANS TO TRAVEL

ON SPECIAL TO DECATOR

Jacksonville Rotarians will travel to the district convention in Decatur March 22, on a special train. The Quincy Rotary club arranged for this train and yesterday suggested that Jacksonville delegates travel with them. Officers of the local Rotary club acted promptly and secured a Pullman to attach to this special

### ROAD CONDITIONS

The following facts regarding the road conditions were gathered by the hard road committee of the chamber of commerce composed of representatives of the Morgan county good roads association and automotive dealers association.

### WILL COMPILE A LINCOLN FOLDER

The chamber of commerce at Springfield will follow out a suggestion made recently by Henry B. Rankin, with reference to a compilation of data about Lincoln. The need has often been felt in Springfield for some printed information about the martyred president for distribution among visitors who seek facts about Lincoln's life or work. Mr. Rankin in a letter to Mr. Ira B. Blackstock of the Midway Luncheon club suggests the preparation of a folder containing pictures and subject matter relating to Lincoln and his life and work in Springfield.

It is the intention to compile such a booklet and to keep it in permanent form and possibly add to it from time to time.

Mr. Rankin started the fund to make this publication possible with a contribution of \$25.

### L. F. O'DONNELL RETURNS HOME

L. F. O'Donnell who returned yesterday from Chicago where he attended the automobile show reports the exhibition probably the best one ever staged at Chicago. The decorations were very pleasing and the attendance was by far the largest of any of the shows Chicago has held.

Mr. O'Donnell states that many new cars were on exhibition and also many new and efficient accessories were features of the show. Among the most attractive and practical is a stop signal placed on the rear fender of the car, which flashes a danger signal whenever the brake is applied to motor.

### GENERAL CONDITIONS

All roads are extremely rough except where the roads are oiled. The road to Springfield is reported in fair condition except in several places where there are bad cuts.

John Brown of Alexander came down to the city Saturday on a business mission.

Edgar Duewer was a Weverly visitor to Jacksonville Saturday.

### CLUBS

The case committee of the Social Service League will hold its regular monthly meeting in the office of the league, Monday afternoon, Feb. 6th, at 3 o'clock. A full attendance is desired.

The Ladies Aid of Brooklyn church will hold a regular meeting and birthday party Wednesday afternoon at 2:30 o'clock with Mrs. J. E. Bessette at her home on South East street. Mrs. L. F. Sanders will be assistant hostess. There will be a call meeting of the Ladies Aid of Centenary church Monday afternoon at 2:30 o'clock at the church parlors. A full attendance is desired.

The Parent-Teachers association of the Third Ward will hold their monthly meeting Thursday evening at 7:30 o'clock at Franklin school.

The Pleasant Hour club will meet with Mrs. Anna Brown, 207 South East street, Wednesday afternoon at 2:30 o'clock.

The Opportunity Circle of Grace church will meet with Mrs. Howard Cully, 1421 Mound avenue, on Monday evening. Assistant hostesses Mrs. Rogers, Mrs. Baxter and Miss Marsh.

The Woman's Foreign and Home Missionary societies of Congregational church will meet in the church parlors Tuesday afternoon at three o'clock.

The Monday Conversation club will meet with Mrs. G. U. Mason, 853 West North street at 2:30, Feb. 6.

The Helen Rawlings Chapter of the First Baptist church will meet at the home of Miss Jennie Rabjohns, 118 Westminster street, Monday evening at 7:30. Miss Helen Shreve will be the leader.

The Young Woman's Guild of Congregational church will meet Wednesday afternoon, Feb. 6, at 2:30 with Mrs. George Stickney, 292 South Kosciusko street.

The College Hill club will meet with Mrs. R. P. Joy at her home, 867 West State street, Monday afternoon at three o'clock.

The Catholic Ladies Aid will meet Wednesday at 2:30 at Pacific Hotel with Mrs. John Doyle and Miss Nell McGuire as hostesses. A good attendance is requested.

The Wednesday Club will meet at the home of Dr. Grace Dewey, February 8th.

The Five Point club will meet with Mrs. Frances Brown on West State street Friday afternoon, February 10th.

The Mary Melton division of the Foreign Missionary society of Centenary church will meet Monday afternoon with Mrs. Frank L. Leaford at East State street. Miss Myrtle Larimore and Miss Nellie Hopper will be assistant hostesses. Mrs. C. O. Bayha is the leader of the afternoon and Mrs. Gertrude Atkins is the devotional leader.

The Home Missionary Society of Grace M. E. church will meet at the church at 2:30 o'clock Wednesday afternoon. Miss Swartz, national field worker will be present and make an address.

The Young Women's Guild of the Congregational church will meet Wednesday at 2:30 p.m. at the home of Mrs. George E. Stickney on Kosciusko street.

The East Side Tuesday club will meet with Mrs. J. W. Brown, 828 Routt street, at 2:30 o'clock. Jacksonville W. C. T. U. held a most interesting meeting at the residence of the home of the president Mrs. Braunton on East College street. The meeting was well attended and after a business session a social time was indulged in during which refreshments were served.

The Alexander Woman's club will meet next Wednesday at the home of Mrs. C. H. Beern.

The Strawn's Crossing Woman's club will hold their regular meeting Tuesday, February 7, at the home of Mrs. Clifton Corrington.

### WILL COMPILE A LINCOLN FOLDER

The chamber of commerce at Springfield will follow out a suggestion made recently by Henry B. Rankin, with reference to a compilation of data about Lincoln. The need has often been felt in Springfield for some printed information about the martyred president for distribution among visitors who seek facts about Lincoln's life or work.

The East Side Tuesday club will meet with Mrs. J. W. Brown, 828 Routt street, at 2:30 o'clock. Jacksonville W. C. T. U. held a most interesting meeting at the residence of the home of the president Mrs. Braunton on East College street. The meeting was well attended and after a business session a social time was indulged in during which refreshments were served.

### CENTENARY M. E. CHURCH

Thursday evening banquet program will include:

Address—By B. F. Shafer.

Address—By Dr. J. R. Barker.

Reading—By Miss Ida B. Davis.

Grace M. E. Church

Will hold banquet next week.

### BROOKLYN M. E. CHURCH

Will hold banquet later after the building is near completion.

### HEBREW M. E. WITH SHILOH AND SALEM CHURCHES

Sunday program—Basket dinner following Sunday school program—

"Finding the Boy"—E. E. Hart.

Scripture lesson—

"Prodigal Father"—Albert R. Swain.

Violin solo—Suzan Rinhardt.

Discussion—"Ideal Home," Ideal Boy, Ideal Father."

### STATE STREET PRESBYTERIAN CHURCH

Thursday evening banquet:

Program committee—F. M. Foley, R. L. Dunlap, H. A. Chapin.

Special music—College band.

Address—Dr. J. T. Thomas of Springfield.

Short talk—Rev. Wm. Marchbach.

Group singing.

### ESKIMO PIE

The candy way of eating ice cream. A food, not a fad. Buy it any place you see the sign, Eskimo Pie.

MADE ONLY AT MERRIGAN'S

### W. P. PHILLIPS SINGS FOR RADIO COMPANY

Will 'am' Preston Phillips, who is a teacher of voice at Lake Forest University, has recently been engaged as soloist for the Edison Telephone Radio Co. Mr. Phillips will begin his work next Monday and hereafter his voice will be heard by radio enthusiasts within an area of 1200 miles of Chicago.

### GENERAL CONDITIONS

All roads are extremely rough except where the roads are oiled.

The road to Springfield is reported in fair condition except in several places where there are bad cuts.

John Brown of Alexander came down to the city Saturday on a business mission.

Edgar Duewer was a Weverly visitor to Jacksonville Saturday.

### FATHER AND SON WEEK NEXT ON THE PROGRAM

Churches Plan For Appropriate Observances—Seek to Have Fathers and Sons Know Each Other Better.

### PROCLAMATION

Father and Son week is at hand and its widespread observance will give recognition to the growing intimacy between fathers and sons the country over. As Mayor of Jacksonville I count it a duty to call attention to this important week and to urge upon the fathers of the city that they join heartily in the programs which various churches and organizations have arranged.

The better understanding between father and son, their closer relationship, means a better citizenship for the future. As the father seeks the viewpoint of the son and the son tries to look at life thru the eyes of his father, a better understanding is the certain result.

E. E. CRABTREE,  
Mayor.

Most of the churches of Jacksonville have arranged for an observance of Father and Son week. Monday night the Congregational and Westminster churches will unite in a program at the Congregational church. Most of the other churches will have their observance on Thursday night. In the case of Northminster, however, a still later date has been chosen and the program will be given February 16.

The program for Central Christian church will be arranged today and announced tomorrow.

Programs for the other churches are as follows:

**BAPTIST CHURCH.**  
Sunday service—Alex Rabjohn. Chairman. Subject: "Partners." Music by the Sunday school orchestra.

**SONG.**  
Boys scripture lesson—Luke, 2:41—52.

"Finding the Boy"—G. W. Gard.

**MUSIC.**

"Father and Son Thought from the Bible"—Rev. Ernest Rutherford.

**READING.**—Miss Lillian Swift.

Greetings to the boys and their dads, from the mothers, girls and mens' classes.

**THURSDAY BANQUET—6:30 P. M.**

Banquet committee—Mesdames Spires, Lan

SUNDAY MORNING, JANUARY 5, 1922

## NATIONAL VICTORY MEMORIAL BUILDING TO BE READY IN 1923

Commemorates the Father of His Country  
and the Sons Who Defended it in the World  
War—The Money for the Building is  
to be Raised by Subscriptions from States

(By The Associated Press)

WASHINGTON, Feb. 4.—National Victory memorial building here commemorating the Father of His Country and the sons who defended it in the World War, is expected to be completed by 1925, in time for the next inaugural ceremonies.

The present plan for financing the project is thru state participation, each state subscribing a sum of money for each citizen who served in the World War. The individuals to be represented by Blue and Gold service stars, which will form state clusters on a huge service flag in the dome of the building.

Some of the states, it is understood, will issue bonds, while others will solicit funds by popular subscriptions. Tennessee has authorized one hundred thousand dollar bond issue; Ohio has appointed a state committee to undertake the raising of its fund, while Maine, Delaware and New York, and the District of Columbia already have guaranteed hearty cooperation.

In President Harding's recent endorsement of the erection of the building, he explained that it was to be a practical memorial commemorating not only the services of all Americans in the World War, but perpetuating the memory of George Washington, and carrying out the educational features suggested in his will. The President's solicitation of state co-operation in the erection of this national monument, has lent a nation-wide interest to a project begun many years ago by the George Washington Memorial Association.

In connection with the laying of the cornerstone of the George Washington Victory Memorial, as it is called, on November 14th, in the presence of high government officials, foreign representatives and the heads of the army and navy, President Harding said: "We are come to pay tribute to the foresight which first encouraged and endowed the institution here established—an institution which is to be alike a monument to those who sacrificed in a noble cause and a beacon to shed afar the light of useful knowledge and grateful understanding among men."

### Purpose Made Clear.

The purpose of the Memorial was also announced as a gathering place for Americans, where American minds could meet in fruitful exchanges. Thus, as the President suggested, this institution of the National Capital may become, through its varied uses, a veritable "university of American citizenship." It will fill a long-felt want, for, unhappily, though the city of Washington has become an internal meeting place, it is not yet equipped with suitable assembly rooms.

When completed the building will house the headquarters of national, military and patriotic organizations, while spacious rooms will be set apart for the exclusive use of the States and Territories. Organizations, may, upon request and without charge, use the auditorium and assembly rooms for their meetings and conventions.

The building, which originally was known as "The George Washington Memorial," but later also designated as the Victory Memorial, was authorized by an act of Congress in 1913, to be erected by the George Washington Memorial

### K. C. SUPERVISOR VISITOR IN CITY

Thomas O'Connell in Charge of the Organization's War Activities Visits State Hospital.

Thomas T. O'Connell, supervisor of the Knights of Columbus war activities, is in the city, visiting the State hospital to see what his organization can do for the relief of the ex-service men there.

Mr. O'Connell has a territory which includes twelve states, and visits all of the state institutions in this territory to carry out his work of mercy. The Knights of Columbus organization has a large amount of money on hand left over from its war time activities, and is endeavoring to put it to the best use in this way.

Everything possible is being done to aid the ex-service men that are dependent on the government. Financial aid, special treatment, recreation, and training are being furnished. In some cases where there are enough patients, the Knights of Columbus are keeping a man who devotes his full time to this work. The Knights of Columbus are trying to do all that the other relief organizations such as the Red Cross and the U. S. Veterans Bureau, have necessarily left undone.

### SERVICE STAR LEGION TO MEET THURSDAY

The Service Star Legion has prepared an interesting program for the next regular monthly meeting, to be held with Mrs. Mary Turner Carrel, 1152 West College avenue, Thursday, Feb. 9 at 3 p. m. Mrs. W. D. Roberts will open the meeting with a piano solo. Miss Edna Bracewell, request will read two selections and Rev. Thomas Smith, pastor of Westminster church, will address the meeting. All are welcome.

hundred, and suitable for dinners of national importance. There also will be rooms on the floor for the permanent headquarters of military, patriotic societies, and veterans' associations. On the third floor, fifty-eight rooms are designated for the use of states and territorial possessions. The fourth floor is arranged for additional offices for the use of various societies whose objects are to promote the welfare of the country or are of educational influence.

### One Room For War Veterans.

It is planned that one room of the building be devote to the use of veterans of the World War. It will be endowed and provisions will be made for a museum and a library for World War history and pictures.

For erection of the building, ten million dollars are sought, more than a half million of that sum is already on hand.

For the endowment of the memorial, from ten to fifteen million dollars is desired, making a total of twenty or twenty-five million dollars. But more than this amount will be available if the present subscription plan proves successful.

The scheme for financing the undertaking is believed to be unique, each being asked to endow a service star for every son and daughter who served during the World War. The rates to be assessed are: A minimum of five dollars for each blue service star and a minimum of one hundred dollars for each gold star of sacrifice.

France has her Pantheon and Britain her Westminster, so now America may have a Victory Memorial, revering the Father of the Country and his ideals established in 1776, and commemorating the valor of the sons of the country who preserved them in 1917. General Pershing, naming the edifice "a temple of remembrance to those whose valor made it possible," expressed the hope that "it would also be a monument to that new era of international relationship and friendliness which alone will guarantee a lasting peace."

Within the auditorium may be held future inaugural receptions, national and international conventions, conferences and free public concerts. Part of the funds now being raised provide for the purchase of a fine organ, and an endowment to pay a musician of national reputation is planned.

Far above the mammoth assembly hall will stretch an acoustical dome, three times the diameter of St. Peter's at Rome. The high vaulted canopy will be studded with blue and gold service stars indicative of the services rendered by over five million Americans who fought in the world war.

Besides the oval balcony, a large banquet hall is provided in the second floor, seating six

## Take the Gamble Out of Your Life Insurance

Your life insurance policy guarantees to pay your wife a lump sum of money upon your death. But the company does not insure or guarantee in any way that she will invest this wisely or safely. Under this form of insurance you have absolutely no assurance that the insurance money you have so carefully provided for her will do what you intended, namely, provide her an income for life.

Fortunately, it is possible today for a man to take this element of chance out of his life insurance and arrange for the insurance company to give his wife a check every month after his death as long as she lives. This is safer, wiser, and in addition will cost you from one-fourth to one-third less than the kind of insurance you have been accustomed to. If you have an adequate amount of insurance, arrange with your company to put a part or all of it on the Monthly Income basis. Otherwise, fill out and mail the attached coupon and see if the Monthly Income Policy will help you in any way. It will cost you nothing to investigate and will obligate you in no way.

### WORST IS OVER FOR NEW ENGLAND

Roger W. Babson, Famous Statistician, Sees Northwest Ready for Prosperity

"If you were to study a chart showing the path of a business depression you would note its striking resemblance to a weatherman outlining the path of a storm. The present depression was first evident in New England and has spread southward and westward until it centers today in the wheat growing section of the middle west.

New England being the first to feel the depression, is according to the great basic law of action and reaction, the first to show signs of recovery. From a study of statistics I am convinced that the fundamental conditions necessary for the period of improvement is practically complete as far as New England is concerned. During this coming year manufacturers, merchants and bankers of this section of the country will struggle with their individual problems. While I do not expect to see anything like a period of prosperity for this section in 1922 I do feel that the worst is over and that the gradual improvement will be evident from now on.

In activity the more important industries are already reflecting a decided improvement. The textile industry, for instance, which is by far the most important in New England, is much busier than a year ago. Activity in cotton goods for instance is 80 percent of normal at present, whereas a year ago it averaged 50 percent. Woolen goods factories were operating at full capacity during the early fall, and are still running near it. A year ago most of the woolen mills in this section were running between 35 and 40 percent of normal activity. Fundamentally the textile industry has turned its corner and is already in its period of improvement. The executives of New England face two problems. First, the fact that the cotton center of the United States is rapidly moving South. In 1914 18,500,000 spindles reported in the northern states as against 12,000,000 in the southern section. At present the report shows 19,500,000 in the northern states, an increase of 5 percent and 15,500,000 spindles in the south, an increase of over 25 percent. If the executives of these northern mills are to keep the textile center of the United States in the northeast they must meet this competition.

The play has a plot complete, including twelve characters chosen with great care by the local committee. The story is very mirth provoking and will meet the appreciation of the Jackson-ville audiences.

The choruses include two hundred adults and school children in the various groups as follows: college boys and girls, valentines, widows and bachelors, cooks, utensils and vegetables, U. S. Relief Corps Girls, League of Nations, wood nymphs, Japanese, dancers, baby and kewpie dolls, Dutch kids, country bumpkins, and laces and graces. The public is urged to prepare to attend this most unusual treat. Watch the papers for further announcements.

### PROF. AUSTIN DIES AT BLOOMINGTON

Brother of Miss Olive Austin Passes Away as Result of Pneumonia.

Dr. J. R. Harker yesterday received a message from Bloomington informing him of the death of F. M. Austin, for many years professor of Latin at Illinois Wesleyan university. Prof. Austin was a brother of Miss Olive L. Austin, dean of women at Illinois Woman's college. Miss Austin went to Bloomington Friday, having been apprised of the critical illness of her brother from pneumonia.

The other factor that is keeping them from full operation are rather heavy imports of both cotton and woolen goods from England. These resources of course depend largely upon the tariff legislation. The safest way to meet this flood of medium priced foreign made goods is to increase efficiency and produce better quality textiles in this country.

"The boot and shoe industry has also turned a corner, and its present activity is improving steadily each month. The shoe men are also facing the same problem as the textile people. The shoe center of the United States is gradually moving westward.

"In 1914 New England produced 53 percent of all the shoes made in the United States, this decreased to 48 percent in 1919 and the latest figure shows that production of all grades of shoes during November 1921 was only 37 1/2 percent of the total United States production. The western manufacturers have increased their share of total business by producing medium priced, good quality shoes, which can be made and marketed in quantity. I cannot help but feel this competition with other sections of the country present one of the most serious problems that the New England manufacturers must produce better goods, lower prices and more efficient organizations.

"The paper industry is experiencing marked improvement, but is now in the trough of a slight decline. Heavy stocks are still proving a handicap to this industry. However, conditions are a great deal better than they were a year ago, and 1922 should be better than 1921.

"The labor conditions in New England are experiencing a considerable readjustment. Most industries have had at least one cut. The manufacturers are also taking the same view of the situation and are doing everything that is possible to increase the efficiency of their workers. Overhead costs will decline further throughout the year. Reduction of freight rates will greatly help New England manufacturers who have a longer average haul to their consuming markets than any other manufacturing center in the country. All in all most of the individual plants in New England will experience better business in 1922 than in 1921. The amount of improvement depends almost entirely upon the attitude of the men in charge.

"Fundamental conditions have set the stage. New England is ready to come back. It is up to the business men of the northeast to take the aggressive course and go after their individual problems.

"General business throughout the country is still following the humdrum sidewise movements characteristic of this season of the year. The index of the Babson chart shows general business 17

### MR. RAINHEY REVIEWS PHONE SITUATION

Acted as Attorney for Farm Bureau Rate Hearing of Illinois Bell Company — Finds Conditions Make Higher Rates Necessary.

A meeting of the executive committee of the Farm Bureau was held yesterday. A report of Henry T. Rainey who represented the Farm Bureaus of Greene, Scott and Morgan counties at the hearing of the Illinois Bell Telephone Company's application for increase in rates was presented. Mr. Rainey presented a review of the case in a summarized statement showing why in his opinion the company is entitled to higher rates.

The big home talent production, "Masquerade Party," to be given at the High school auditorium February 16 and 17, under the auspices of the Social Service League will be given February 16 and 17.

The big home talent production before the Illinois Commission it was with the belief that the company should not be granted the right to increase its rates, but the facts presented there evidently brought about a change in his views.

The main facts in Mr. Rainey's statement are presented here-with:

The undersigned reports that immediately after his employment to represent said interests, he made a study of the conditions, and found the following facts to exist:

That on June 2, 1921, a joint application was filed with the Illinois Commerce Commission by said Telephone Companies, asking for the approval of the purchase by the Illinois Telephone Company properties. The application was filed on June 21, 1921, ap-proved.

### Consideration.

For the Illinois-Bell Telephone properties, the Illinois Company showed the sum of \$68 in cash, which was the only cash payment made. They issued mortgage bonds to complete the sale to the amount of \$10,300,000, and issued common capital stock to the amount of \$100,000 which was turned over to the Bell company.

### Properties.

The Illinois Company owned and operated exchanges in fourteen towns in the three counties, and operated exchanges in no other counties. In six of these towns the Bell Co. owned and operated exchanges and in those six towns furnished competition for the Illinois Company.

### Proposed Rate Increases.

Immediately after the above merger was accomplished with the approval of the Illinois Commerce Commission, the Illinois Telephone Company filed with the Commission an application for permission to increase its rates before that time charged, and collecting from the territory in question over twice as much revenues as had before that time been collected. The Company also construed the merger in order to give them authority to abandon the "free in County" service, before that time given by the Bell.

### Farm Bureaus Enter Controversy

About the month of October, 1921, when the application for an increase was made, the Farm Bureaus of the three counties, thru their Executive Committee, came into the matter, and I was retained to represent the Farm Bureaus. My preliminary studies disclosed the facts as above stated. I also found that the principal cities in the territory reached by this service, except Jacksonville, did not intend to make any fight against the proposed increase. Jacksonville, through its mayor and city attorney, was resisting the rates so far as they applied to Jacksonville, Jacksonville's rate being already larger than the rates in other parts of the territory.

The other towns, except Murryville and Woodson, which are represented by counsel, proposed to make a fight so far as I could learn, upon the theory that the Jacksonville fight might also injure to bring to their benefit, and up on the further theory that merchants in the towns were required now to maintain two phones, and that under the merger they would only be required to maintain one, therefore the increase would not affect them much. We presented to the several towns as well as we could the rural situation, and insisted that these towns ought to make a fight for the farmers using the phones living near the towns, and who are on the exchanges of the towns in question.

The city authorities in Carrollton at once recognized this position as correct, and instructed the city attorney of Carrollton, Mr. Wright, to fight the proposed rates. Mr. Wright appeared at both hearings representing the city of Carrollton since that time, and rendered most excellent service in the fight against the proposed rates. Directly and indirectly, we were authorized to say that the cities of Greenfield, White Hall and Roodhouse also desired to be recorded as against the proposed rates, and I was requested by the mayor of White Hall to represent the city in the fight we are making.

### Rate Increase Hearing.

The first hearing came up soon after I was retained. I went to Springfield, and appeared before the Commission, presenting the results of my studies, and protested against the proposed increases on behalf of the Farm Bureau.

### Rate Increase Hearing.

The first hearing came up soon after I was retained. I went to Springfield, and appeared before the Commission, presenting the results of my studies, and protested against the proposed increases on behalf of the Farm Bureau.

## GOVERNMENT MUST LEND ITS AID IN EDUCATIONAL WORK

University of Chicago Faculty Member Talks to Women Voters—Says That the Problem is a National One—World War Revealed That the Country Had Many Illiterates

(By The Associated Press)

CHICAGO, Feb. 4.—Asserting that the world war shocked America out of its complacent belief that its educational system was functioning efficiently, and declaring that state action could not be depended upon exclusively to improve the situation, Prof. Paul H. Douglas of the University of Chicago told the Illinois League of Women Voters recently that children are "citizens of the United States as well as of their state, and the nation should see to it that they have proper educational advantages." The address was delivered at the second annual school of citizenship conducted under the auspices of the league.

The educational problem is a national problem, and can only be met with a national policy, the speaker said, in discussing the Sterling Tower bill which he said would "at once serve to assist the poorer and stimulate the more retarded states and will result in a development of education that would not otherwise be secured."

"The statistics of the draft showed that 31 percent of the enlisted men were illiterate, over half of whom, it is estimated, were native born," Prof. Douglas said. "More recent investigations have shown that 300,000 or more than 40 percent of the 700,000 public school teachers have had no professional training, 200,000 of whom have never graduated from high school, and 30,000 of whom have never gone beyond the eighth grade.

"It will be impossible for the United States to cope with the great world wide economic and social problems that confront it unless this lamentable condition is remedied. We cannot depend exclusively upon state action to improve this situation because some states are much poorer than others and probably cannot by themselves afford a proper education to their citizens, while many states, even if they could afford such instruction, are negligent and do not recognize their responsibility. The nation cannot afford to let children suffer through an accident of birth or the poverty or negligence of their parents.

"This is not the only reason for federal action however. Due to the mobility of our population, we of the more advanced states must see to it that the backward states appreciably raise their standards if we ourselves are to have population with a high degree of civic, vocational and cultural usefulness. We cannot expect to maintain high educational standards for the next generation so long as thousands of under-educated men and women pour in yearly from the backward states of the country."

## Best Battery for Winter Use

COLD weather driving makes heavier demands upon any storage battery. Engines are stiff—oil is sluggish—gasoline vaporizes slowly—lights burn longer—and the severe cold tends to cause battery deterioration. Only a battery of maximum power and vitality can meet these demands.

The Prest-O-Lite Storage Battery has proven in the toughest of cold weather tests, to be by far the best battery for winter use.

Why be satisfied with anything short of the best? There's a Prest-O-Lite for every car.

## CHICAGO LIVESTOCK EXCHANGE NOTES

## Live Stock Prospects Promising

Live stock is the healthiest branch of agriculture, and has been right along. Hogs are paying big money for their board, cattle, when judiciously bought have made reasonable returns and both sheep and lamb feeding has been unprecedentedly profitable. Each market day an enormous sum of money in the aggregate goes to the country in payment for live stock while other farm commodities have been stagnant. Live stock raising and feeding communities are reasonably prosperous, measured by general conditions; their coarse grains and roughage converted into meat has found a daily cash market, while grain has of necessity been held either in the corn crib or the elevator for want of an outlet. Live stock has saved the day for the farmer.

This fact is being rapidly realized. It is indicated by a more optimistic attitude on the part of the producer. The hue and cry which professional agitators have been largely responsible that the farmers of this country are "broke" no longer gets credence. There is also a growing impression that this persistent misrepresentation of the condition of agriculture has been largely responsible for impairment of the farmer's credit. All the legible handwriting on the wall suggests improvement in conditions, improvement that will undoubtedly be accelerated by assuming the proper mental attitude.

The live stock industry is actually in strong strategic position compared with commerce and manufactures for the reason that it has been liquidated to the limit and any change must naturally be for the better. Losses have been inevitable in the descent from war inflation to peaceful normalcy, but the hardship, incidental to that process, has been aggravated by the self-styled but false friends of the farmer, who have given him advice to hold products when they were high, causing him to miss making sales and then misstated his condition to the extent of discrediting him, thereby restricting and impairing his credit. Capital is "proverbially timid" and the noisy coterie of agitators responsible for this campaign had deliberately planned to injure agriculture they could not have accomplished their purpose more effectively.

Since a normal basis was reached the whole cattle industry has developed recuperative symptoms. Temporarily the fat cattle market has been handicapped by an excess supply of merely warmed-up steers marketed through lack of confidence or to furnish money needed to meet maturing obligations in a majority of cases, but practically the entire crop has paid for the corn consumed at better than current cash prices and in many cases the operation has shown a profit.

A significant phase of cattle trade recently has been gradual enhancement of stocker values until that market has got out-of-line with fat steers. This means either that fat cattle must advance or stockers decline and trade students realize that impending if not actual short age of young cattle makes the latter development improbable. The whole country is admittedly short of old breeding stock and young cattle a condition that will not be remedied over night. Texas, even under favorable physical conditions, will need five years to reconstitute its depleted breeding herds, the whole northwestern grazing area is long on grass, but short of cattle, and if money is available for restocking purposes a speedy dem-

**Walsh Electric Company**

Opposite Post Office

demonstration of cattle shortage will be made.

The relatively small amount, measured by the passing needs of the industry, already advanced by the War Finance Corporation in the west has not only had a confidence inspiring influence, but has arrested liquidation the logical result being substantial enhancement in breeding cows and young stock cattle. This practically insures further appreciation in stock cattle values as rehabilitation of the industry west of the Missouri River progresses, in fact it is doubtful if the visible supply will be sufficient to satisfy this season's requirements, even should credit be restricted.

**The Cornbelt Cattle Situation**  
Cattle that went into cornbelt feedlots last fall are being liquidated; at no distant date the residue of that purchase will pass into strong hands relieving the market of current intermittent excess.

Even now every short run finds buyers with urgent orders and had the January run been curtailed 10 to 15 per cent by eliminating merely warmed-up stuff a radically different market would have developed. The whole cattle market is undoubtedly ready to repeat what has happened in hogs and sheep.

## Cows Going Into the Cornbelt

Sensing changing stock cattle conditions many are taking time by the forelock, purchasing cows to run on cornbelt pastures with the object of placing themselves at least partly independent of the stocker market. The beef business has gone on an early maturity basis, the market no longer calling for any considerable number of heavy mature bullocks. The cattle industry is going on a cow and yearling basis, an economic change producers must recognize.

It will be impossible during the period needed to rehabilitate western cattle herds, to replenish feedlots and pastures east of the Missouri river, especially should beef consumption become normal. Such increase will be coincident with revival of industrial activity.

Despite difference of opinion on this subject many are in a position to carry a beef cow all the year around for the calf it raises and this is a feature of the industry now developing at a more rapid rate than is generally understood. Such beef production cannot fail to be profitable, recognition of this being responsible for increasing interest in breeding cows and heifers, which has already prompted owners to mark up values. That the beef cattle raising area is running into a period of short calf crops is generally understood, a condition that will be met by conservation of breeding stock which, for one reason or another, chiefly financial and climatic has been sacrificed during the past five years to an extent that creates a serious problem for the feeder and pastureman relying on western cattle for replacement.

**Hog Market Satisfactory**  
A conviction now exists that the winter hog crop is short. Early in the season certain packers insisted that a reverse condition existed. This opinion was based on free marketing of sows last fall, but failed to reckon with disease, which seriously decimated the pig crop. Packers have resorted to every possible expedient to arrest the rising tendency of the market, including country buying, but each week has demonstrated the soundness of the attitude of the Chicago Live Stock Exchange early in the season, when Cudahy of Milwaukee put out a prediction that drove cost would drop to \$5 per cwt. and this organization took issue, admitting that average cost might drop to \$6.50, but contending that reaction would be prompt and that the entire crop would make a profitable market for corn. As it has happened drove cost did drift with the \$6 cent mark for a brief period, but the advance from that level to \$8.70 was rapid and at little interruption.

At a critical stage when the packing industry was crippled by a general strike competition took the market out of what would have been a rut, eastern shippers taking 35 to 50 per cent of the crop at Chicago, taking the price-making function out of the packers' hands. This development of competition fostered all through the period of concentration effort by the packers by the Chicago Live Stock Exchange and similar organizations at other markets, has been a potent influence in maintaining prices this winter.

The season is too far along, too large a percentage of the crop has gone and the residue is too small for successful bear campaigning although a possible heavy February run may cause a setback. Packers are approaching the end of the winter packing season with light stocks, export trade is of heavy volume and domestic consumption of all kinds of hog products healthy, so that the position of the grower is apparently secure. West of the Missouri river Pacific coast buyers are making inroads on the visible supply, southern hogs are going to Cuba and the eastern crop left growers hands in advance of its usual schedule.

**Prosperity in Sheep Trade**  
What would have been considered impossible three months ago has happened in the sheep and lamb market, many feeders recovering all last season's losses. Lambs laid in last fall anywhere from \$6 to \$7.50 per cwt. have been returning to market to earn \$10 to \$13.75, according to the time they came back. The wool market has not only come to life, prices for pelts, but dealers are enabling packers to get good securing the country endeavoring to make contracts for wool on the sheep's back. As a result, confidence has been restored, liquidation has ceased and the sheepman's credit has revived. The recent advance may, as many

believe, have put the market in a top heavy position, but it has effectively dispelled the gloom incidentally demonstrating that sheep are good property when in competent hands.

This industry has been so drastically liquidated as to create a restocking problem and in that process values were depressed below a normal level so that the reaction was logical. What has happened recently shows conclusively that money may be found where it was lost. Both sheep and lamb supply will be materially reduced this year so that a healthy market seems assured. The west will be under the necessity of holding live lambs to recuperate over-aged breeding flocks further reducing lamb supply and reviving confidence will undoubtedly create a demand for farm flocks so that the industry is at the gateway to a period of prosperity.

## EXECUTORS' SALE

At the home of the late T. E. Rea, 1½ miles south of Woodson, Ill., Feb. 7, 1922, at 10:00 A. M., sharp, horses, mules, hogs, grain, farming implements, tractor, Ford Roadster and Truck combined, and many other articles.

Conveyances will meet all trains at Woodson.

Lunch served.  
John W. Rea, and  
J. Weir Elliott,  
Executors.

## DANGER OF JUST LETTING A COLD RUN ITS COURSE

Public Warned to Beware of A Three Days' Cough and Break It Up Before It's Too Late, by Taking Kurokol, the New Scientific Discovery.

Money Refunded If Kurokol Fails to Bring Relief.

Leading authorities are using every effort to arouse the public to the danger of letting common colds just run their course, for it is definitely known that many serious lung complications such as pneumonia, grippe, etc., develop from colds yet discovered.

Kurokol is almost magical in its effect. The first dose usually stops the tendency to sneezing and coughing, and relieves the feeling of discomfort, and the second and third doses usually suffice to stop the progress of a cold altogether.

The wonderful efficiency of Kurokol is best shown by the fact that all druggists are instructed to give satisfactory results.

—Adv.

## EXETER

Mrs. Henry Dunn is on the sick list.

Dick Nunes and family have moved to the home of Mrs. Oscar Clark and will reside there until spring.

Roy Berry put up ice last week and the same was true of William Butterbush and Company.

Mrs. Roy Woods is ill at her home here.

Dr. Hardy Stewart was a visitor here Sunday, enroute to Winchester.

Mrs. G. M. Ratigan and daughter Margaret visited in Springfield recently at the home of Miss Ratigan and other relatives.

Russel Hamilton was a caller in town recently.

Thomas Buchanan delivered rags to Merit one day this week.

Julius Westernmeyer was a recent visitor in Jacksonville.

Walter Clark was a recent Jacksonville business visitor.

**DEDICATE NEW SCHOOL ADDITION**

East Moline.—Dedication of the new manual arts addition to the East Moline township high school took place Jan. 19.

## DIAMONDS As an Investment

No reduction in the price of diamonds is in prospect—that is the official word cabled to this country from the London Diamond Syndicate. Dealers must buy the GENUINE diamonds at those prices, or go without. A GENUINE diamond of flawless quality always brings its original price, and frequently more.

There has been some reductions made on "Diamonds" but even the uninitiated knows that these cannot be quality stones.

There are on the market nineteen grades of diamonds for jewelry and mechanical purposes, but you can easily count on the fingers of one hand the grades that spell q-u-a-l-i-t-y and constitute a real investment. And we are able to show a number of beautiful and remarkable stones of this latter class.

Next week we shall tell our patrons something about jewelry prices.

## PRICE JEWELRY STORE

The mere thought of buying a diamond should suggest Price's

## Work of Eight Mules for the Price of Two

George Beekman (Pisgah) put in (plowed, disked, harrowed and seeded) his wheat crop without a horse in the field. Ask him what he thinks of the FORDSON.

Wess Robertson (3 miles north of Alexander) farms 320 acres with a FORDSON and six mules. It would take fourteen mules without the FORDSON.

In Price the Fordson Is So Far Below Its Nearest Competitor That There is No Comparison Now As to Service Given

Do you know of another tractor on the market where the firm that sells it to you carries in stock at all times a COMPLETE STOCK OF PARTS—from a Spark Plug to a Wheel—ready for any emergency, and who will have that needed part where it is wanted in a few moments time, or as quickly as a Ford car can cover the ground between our shop and the location of your tractor.

We afford Fordson owners a genuine service—Ask the man who has purchased a tractor from us how he has been treated, as well as how he likes Fordson results.

**REO**  
SPEED WAGON

Fits Every Business

It is an amazing fact and a high tribute to REO experience and REO engineering, that this Speed Wagon has not only invaded but conquered, and today absolutely dominates every field of hauling and carrying and delivering.

Prior to the advent of this Speed Wagon, the work it does today was divided among several widely diversified types and sizes of motor trucks.

By its wonderful adaptability—its versatility—its ability to cover territory—it's absolute dependability and surprisingly low up-keep—this pneumatic tired REO has gone from one kind of service to another and proven it will do any and all forms of carrying quicker and cheaper.

If it Isn't a REO, it isn't a SPEEDWAGON

## HOME NEAR BLUFFS DESTROYED BY FIRE

Residence of John Sandman East of Town Completely Destroyed by Flames Thursday — Other Bluffs News.

BLUFFS, Feb. 3.—The home of Mr. and Mrs. John Sandman, 3 miles east of town of Sandman, by George Van Gundy was completely destroyed by fire at 3 o'clock Thursday when the roof caught fire from a defective flue. Mrs. Sandman was ill and was carried from the burning building to the home of a relative. Only a few minor articles were rescued as the fire was beyond control when discovered.

Mrs. William Wildy north of town is critically ill from an attack of pneumonia.

Mrs. Clara Little and children of town spent Wednesday with her sister, Mrs. C. A. House. Miss Grace McLaughlin a former Scott county girl and for several years a resident of Jacksonville will be united in marriage at the home of her sister Mrs. H. G. Rockwood, 512 West South Grand Avenue, Springfield, Saturday February 11th to Mr. H. W. Brown of Chicago. They will reside in Chicago.

The members of the Bridge Club were pleasantly entertained at the home of Mrs. Janie Woodson on Wednesday. Hostesses, Mrs. Louis Knoepfle and Mrs. Janie Woodson, Mrs. J. H. Stewart was welcomed as a new member of the club.

The Womans Club held a very interesting meeting with Mrs. Frank Ashley as hostess Thursday. The out of town guests were Mesdames H. C. Finney and H. Corlidge of Jacksonville.

At the close of the regular program a farewell reception was given in honor of Mrs. Corlidge, a departing member.

Miss Nora Baird was visiting her sister, Miss Maggie at Our Saviors hospital in Jacksonville Friday.

**CLOSING OUT SALE**  
I will hold a closing out sale Thursday, February 9, at my farm southeast of Woodson, of horses, hogs, cows and farm implements.

THOMAS LONERGAN, Jr.

## How to Care For Your Eyes

Eyestrain is one of the most insidious evils of the times. Hard usage, bright lights, nervous tension—all put too great a load upon the eyes. The only safeguard is to wear the proper glasses as soon as you need them—possibly for a short time only.

The only safe plan is to have your eyes examined before this strain weakens the delicate nerves and muscles that control the vision—just as filling a small cavity will save a tooth. Our examination is safe, sane and scientific.

## S. W. NICHOLS WRITES MORE ABOUT SAN ANTONIO

San Antonio, Tex., Jan. 23.—Dear Journal: A few names will ever stand out in my memory as especially pleasant when I recall my visit to this beautiful city. Mr. and Mrs. C. P. Stafford and Mrs. Harriett were our most valued entertainers. They took us on three long auto rides, showing us many of the beauties and attractions of the city and one delightful day we rode far into the country, going each way 25 or 30 miles over some beautiful and romantic country.

I had supposed, after visiting Kelly Field, that all about the place was rather flat but that obtains only in one direction. In other ways the land is rolling while distant hills lend their minuteness to the view.

Mr. and Mrs. L. B. Richards are others whom we shall

recall with no small pleasure and gratitude. The worthy rector and wife called for us one day at our hotel and took us a thirty-mile drive to the Medina dam, a wonderful work for irrigation and creation of large and beautiful artificial body of water. It is surrounded by pleasure grounds and attractions and accommodations for tourists and temporary pleasure seekers while many have cottages there and spend weeks or more seeking health and recreation. Fishing, boating and various forms of amusement are available at the beautiful resort and the road to it is excellent.

Mr. Richards is rector of Christ church, a flourishing organization

## SACRED CONCERT AT WHITE HALL CHURCH

Edwin Harris Berg Famous American Violinist to Give Program at Presbyterian Church Friday.

WHITE HALL Feb. 3.—A leading feature in connection with the church services next Sunday will be a sacred concert in the Presbyterian church at 2:30 p.m. by Edwin Harris Berg, famous American violinist, who has been here for the past few days, and has visited various points in this section of the state. Last Wednesday afternoon he captivated an audience at the high school. Every music lover should avail themselves of this opportunity to hear Berg, who has pleased audiences in schools and churches throughout the state. He possesses technique, beautiful tone, faultless intonation and even—quintessence of the true artist. This concert will be free to all, but a collection will be taken to defray expenses. The program follows:

(a) Humoresque—Devorak.  
(b) Tramper—Schuman.  
(c) Ave Marie—Mascagni.  
(d) Melodie—Ole Bull.  
Organ accompaniment by Miss Mildred Morrow.

PHONE SITUATION

(Continued from Page Nine.)

Second Rate Increase Hearing. The second hearing occurred on the 17th of January, 1922. I attended, two representatives of the Executive Committee of the Farm Bureau of Greene County were also present, and two from the Morgan County.

The Facts.

Without detailing all the evidence, I think it will be sufficient for me to say that my cross examination of the experts disclosed the following facts:

Total original cost Illinois Telephone property ..... \$594,759.00

Total original cost Illinois Bell Telephone properties ..... 323,973.00

Combined total ..... \$918,732.00

Property rendered non-useful by the consolidation ..... \$58,053.00

Salvage value ..... 1,025.00

..... \$57,028.00

Balance original cost ..... \$861,704.00

Memoranda:—The non-useful property would consist principally of poles where lines were parallel which can only be given away to farmers for wood or posts, and value which would have the value of scrap-iron.

Operating Revenues and Expenses

My examination of the witnesses disclosed the fact that at the time of the merger the operating expenses of the above Companies exceeded the revenues. Taking July as a typical month before the merger was accomplished: The entire revenues of the Bell Company amounted to \$5,438.66, the operating expenses for that month exceeded the revenues by \$2,200.00; for the same month of July the revenues of the Illinois Company amounted to a little over \$9,000.00, and the operating expenses for that month exceeded the revenues by about \$1,000.00. For the month of October, the last month for which statistics were available also being a month when the combined companies were operating, the operating revenues of the merged companies were \$17,244.76, and the expenses exceeded that amount by \$2,276.00.

Bankruptcy.

The facts therefore disclosed that the Companies under the rates in force could not borrow money. The Jacksonville bank with which they had been doing business refused to loan any more money, and the Greene county bank had refused to furnish them with money with which to meet the January pay-roll, in that count-

## Church Services Today

State St. Presbyterian Church—Rev. W. H. Marbach, pastor; Mrs. Tomlinson, S. S. Supt.; Mrs. Brown, choir leader; Mrs. Myers Bullard, organist. Invest Sundays profitably by attending church. If this is the one of your choice join us in worship and work. Bible Study at 9:30 a.m. with classes for all. Morning worship at 10:45. In view of the birthday anniversary of Christian Endeavor there will be a Young People's meeting at the usual hour but the Young People's Society will share the evening service with the pastor and the church choir. Come and bring your friend.

First Baptist Church—Father and Son Sunday will be observed in the Sunday School at 9:30 a.m. Supt. Kopperl is arranging a program that will make father proud that he came to church with his son. Let your sons show you to a seat at the morning service occurring at 10:45 a.m. As usual the music will be in keeping with the day. Pastor A. P. Howells, will preach on the subject, "The Stewardship of Fatherhood." The closing session of the

Church School of Missions will occur at 6:30 p.m. This will complete the study of the four standard mission books by the four classes. At the lecture period which is 7:30 p.m. the B. Y. P. U. will give a Missionary Mock Trial with eighteen participants.

"My American Christian" is already in custody, witnesses from foreign lands have been subpoenaed, and the case will probably be in the hands of the jury by 8:30 Sunday night. On Wednesday night at 7:30 p.m. the regular mid-week prayer meeting will occur the subject being, "Prayer and the Goodness of God." The Father and Son Banquet will occur on Thursday at 6:15 p.m. The age limit has been removed. If you are a man and have a son or can adopt one, bring him. Plenty of arm chairs and high chairs. Be a big brother for once. Remember your elder brother who went about doing good.

Salem Evangelical Lutheran church, College and East streets—Rev. J. G. Kuppler, pastor. Fifth Sunday after Epiphany. Sunday school at 9:15 a.m. Pub-

lic worship in English at 10 a.m. and 7:30 p.m. German at 11 a.m. Theme of morning sermons: "The Comforting Words of Jesus: Be of Good Cheer; Be Not Afraid." Evening: "The Injunction of the Fourth Commandment." If you have no church home come and worship with us. The Concordia League will meet Thursday evening.

Trinity Episcopal Church—J. F. Langton, rector; H. M. Andre, Senior Warden; Prof. J. G. Ames, Junior Warden. Fifth Sunday after Epiphany. Early service at 7:30. Sunday school at 9:30. Holy Communion and sermon 10:45. Evening prayer and sermon 7:30, Monday. Auxiliary will meet at 3 o'clock with Mrs. H. M. Andre, 233 W. college avenue, Tuesday Guild all day. Wednesday evening Guild 7:30 in charge of Mrs. Lena Williams. Thursday 7:30 choir practice.

Centenary Methodist church—C. D. Robertson, pastor. You should have seen that Go-to-Church club last Sunday. They present a wonderful spectacle as they file into the morning service. You can see them any Sunday and they are worth seeing. Superintendent Metcalf and his corps will find the place which is waiting for everyone who comes to Sunday School if he cannot find it himself. The place is there and ready and someone is ready to show strangers where it is. Sermon subjects: morning, "The Question of Emphasis"; Go-to Church Club, "What I Have in my Buttonhole"; evening, "I'll Have My Rights." Epworth League Read, president. All young people will find this meeting very interesting and helpful. A part of the time will be given to the mission study 10:45, morning worship. Theme of sermon, "The Transfiguration."

2:30 p.m., Intermediate League, Miss Agnes Davis, superintendent. 6:30, Epworth League, J. Lloyd Read, president. All young people will find this meeting very interesting and helpful. A part of the time will be given to the mission study

2:30 p.m., Intermediate League, Miss Agnes Davis, superintendent.

6:30, Epworth League, J. Lloyd Read, president. All young people will find this meeting very interesting and helpful. A part of the time will be given to the mission study

CARD PARTY GIVEN AT  
CHAPIN FRIDAY NIGHT

Mr. and Mrs. E. E. Sidles Entertain Friends in Pleasant manner at Scott Hotel—Other Chapin News Notes.

Mr. and Mrs. E. E. Sidles very pleasantly entertained a party of friends at the Scott hotel Friday night. There were six tables of "five hundred." At late hour delicious refreshments were served.

Mr. and Mrs. Harry Butcher of Gulfport, Miss., are guests at the home of Mr. and Mrs. Harry Onken. They were called here by the illness of their sister, Miss Zell Butcher.

Mr. and Mrs. Jeff Duckett were shopping in Jacksonville Friday.

Mrs. Minnie Coulitas of Markham, was the guest of her sister, Mrs. J. L. Alderson Friday.

Mr. and Mrs. Monte Funk went to Winchester Friday evening to attend the revival meeting being held there. Mrs. Fred Ellers and Mrs. J. Z. Fox accompanied them.

The ladies of the M. U. church, sent two quilts to the tubercular sanitarium Saturday.

Mr. and Mrs. P. H. Ham were Saturday visitors in Jacksonville.

## AT AUTO INN

Next Tuesday night, Feb. 7, will be "Guest Night" at the Auto Inn Dancing class. Everyone that has attended the class during the season is invited to be present, and to bring two ladies as their guests who will be admitted free. Special lesson from 8 to 9 and informal dance from 9 to 10:30 p. m. A Private "Valentine."
